

**WEATHER FORECAST.**  
Generally fair tonight and Thurs-  
day; colder in north portion.

VOLUME 94—NUMBER 38

NEWARK, OHIO, WEDNESDAY EVENING, MARCH 20, 1918

TEN CENTS A WEEK

## GERMANS WILL SOON OCCUPY THE CAPITAL

Fall of Petrograd Imminent As Troops Draw Near Metropolis

## THE BOLSHEVIKI WILL NOT OPPOSE ENEMY OCCUPATION

British Airmen Bring 54  
Machines to Earth In  
Two Days

(Compiled from A. P. Dispatches.)  
The fall of Petrograd is imminent. German troops probably advancing along the Baltic coast from Narva and northeast from Pskov and Dvinsk are nearing the Russian metropolis, according to dispatches received in London. The population is said to be awaiting the coming of the invaders passively and there are no indications that the Bolshevik authorities will attempt to oppose the Germans before giving up the city. Evacuation of Petrograd by the Bolshevik government departments was ordered last week and all are now in Moscow, which the Lenin government has declared the Russian capital. When the order to move to Moscow was given, it was said that Petrograd probably would be declared a free port.

German possession of Petrograd would give the enemy complete control of the Gulf of Finland and all the important ports on its coasts except those in Finland yet in the hands of the Finnish rebels, who are being attacked by the Germans and Finnish government forces. This would cut Moscow off from the Baltic sea. On the south the Germans have been reported within 350 miles of Moscow and they virtually control the Black Sea.

Although they can advance in the east against disorganized Russia, the Germans have not yet displayed any intention to carry out their heretofore offensive in the west. Except for most intense artillery bombardments on some sectors, there has been no great activity on the lengthy western front, trench raids having decreased in number.

On the British and French fronts the German artillery has been most (Continued on Page 2, Col. 4.)

## PRESIDENT CALLS MEETING TO TALK OVER WAR PLANS

(Associated Press Telegram)  
Washington, March 20.—Plans for a more thorough co-ordination of war-work were discussed at a White House conference today before President Wilson and the heads of six of the government's most important war agencies. The conference was called by the president yesterday and was taken by many as an indication that he intends to take a more personal direction of war activities.

The men called by the president were Chairman Hurley of the shipping board, Food Administrator Garfield, Director General McAdoo, Chairman Vance McCormick of the war trade board, and Chairman Bernard M. Baruch of the war industries' board.

## PUTNAM BRINGS DOWN HIS FOURTH MACHINE

(Associated Press Telegram)  
Paris, Tuesday, March 19.—David E. Putnam, of Brookline, Mass., a descendant of Israel Putnam and a member of the Lafayette flying squadron, has just brought down two more German airplanes. Putnam also has been promoted to the rank of sergeant in the French army. He already has the war cross with palms. This makes four machines with which Putnam is officially credited, although he brought down a fifth machine on a German airplane. This was not seen by French observers, and therefore was not officially credited.

## REVIVE PROHIB. RATIFICATION

(Associated Press Telegram)  
Albany, N. Y., March 20.—The proposed referendum on the ratification of the prohibition amendment to the federal constitution was revived in the legislature today when the taxation committee of the senate voted to report the Hill-McNab ratification resolution amended so as to be virtually a duplicate of the Macfady amendment, consideration of which was indefinitely postponed by the assembly yesterday.

## RESIGN FROM DRAFT BOARD

Columbus, March 20.—Announcement was made today that J. R. Kilbourne of Columbus and John L. Zimmerman of Springfield have resigned as members of the district draft board for this district. John B. Brown, of Columbus, was appointed to fill one of the vacancies, and Garrett S. Claypool, son of Congressman Claypool of Chillicothe, the other.

## CONVERTS HOME INTO A HOSPITAL

Lady Gordon Lennox.

It has recently become known that Lady Gordon Lennox has turned her beautiful home near Banbury, Oxon, England, over to the hospital authorities for use as a convalescent hospital for wounded British officers. Since the war's outbreak Lady Gordon Lennox has given liberally in every way to many war charities.

## THESE ARE THE MEN WHO ARE CONSPIRING AGAINST GOVERNMENT

(Associated Press Telegram)  
Chicago, March 20.—Details of how the "sab cat" and the "wooden shoe" were being marshalled by a vast "rebel army" in opposition to the United States government and the war effort, it is said, he revealed at the coming trial of members of the I. W. W. under indictment for conspiracy and disloyalty.

"Sab cat" and "wooden shoe" are I. W. W. slang for sabotage. Federal attorneys were busy today examining specimens of I. W. W. literature seized by the government.

Following are some extracts from "Solidarity," an I. W. W. publication which will, it is said, be used as evidence at the trial:

"The rebel who does not put his pet cat to work these days is guilty of criminal negligence.

"We need in Rockford at the present time about 4000 rebels to go on the job at the cantonment De Yellow-leg. So come on you rebels!

"An ounce of sabotage is worth a ton of legislation.

"The only logical foot wear for a conscripted army is wooden shoes!

"Somebody is driving spikes in logs and has already ruined saws in the mills of the lumber company."

An extract from a pamphlet by Walker C. Smith, entitled, "Sabotage," follows:

"What is more civilized than for the workers to create powder that refuses to explode."

## VOTE IN WISCONSIN SENATORIAL PRIMARY IS STILL IN DOUBT

(Associated Press Telegram)  
Milwaukee, Wis., March 20.—As scattered returns from yesterday's so-called loyalty primary dribbled slowly in, the impression grew that Congressman Irvine L. Lenroot, the LaFollette candidate for the Republican senatorial nomination by a narrow margin.

With 13 counties unheard from at 1 p. m., Lenroot's lead approximated 1000.

Milwaukee, Wis., March 20.—Outstanding features of yesterday's loyalty primary were a five-fold increase in the Socialist vote, the overwhelming victory of Joseph E. Davies for the Democratic senatorial nomination, and the close race between Irvine L. Lenroot, the loyalist candidate, and James Thompson, who carries the banner of the LaFollette Republicans in the senatorial race of that party.

Lenroot supporters maintained that what advantage there was on returns up to 11 o'clock today rested with Lenroot. With 14 counties missing, scattered reports from 57 gave Lenroot 56,536, and Thompson 54,753. The missing counties and precincts are so situated as to make an accurate forecast impossible, although it appeared that Lenroot's home district, which is always slow to report, would give him a majority sufficient to overcome that of Thompson in the city and county of Milwaukee. It may be days before the deciding votes are in from the backwoods.

Reports from all but seven counties of the state up to 1:30 o'clock this afternoon gave Lenroot, lead of 2488 over Thompson.

With some counties complete and most of the vote reported in other counties, Lenroot had 61,663 and Thompson 59,175.

## SEC. BAKER WAS UNDER FIRE IN FRONT TRENCHES

Big German Shell Bursts Along Roadway Near Automobile

## AMERICAN GAS SHELLS DO VERY EFFECTIVE DAMAGE

Constant Artillery Duels Occur With But Few Casualties

(Associated Press Telegram)  
With the American Army in France, Tuesday, March 19.—While Secretary of War Baker and his party were returning today from the American front line trenches, a German 105 millimeter shell burst along the roadside within forty yards of the automobile. The occupants of the car were not injured, nor was the car damaged.

Secretary Baker remained for an hour and a half in a front line trench on a certain sector under a brisk enemy shell fire. He also visited an advanced listening post and talked with the officers and men.

American artillery on the Toul front has heavily attacked the Germans with gas shells during the past day or so, it is now permitted to announce. Four different attacks were launched and from the manner in which the enemy was silenced it is evident they had the desired effect.

During one period when the gas shells were lying over the enemy lines last night, a German airplane with a red tail light appeared over the American lines and dropped a red rocket, for what purpose it is not known. However, shrapnel from American anti-aircraft batteries burst so near the German immediately afterward, that he was forced to fly back to his own lines.

Last night the enemy observation tower and positions on Montsec were shelled heavily and a heavy fire was directed against the enemy this morning. At noon today the enemy opened a lively fire on one of the American positions with 37 millimeter guns from the cemetery at Richcourt. The American guns of the same calibre came into action and after they had fired fifty shells (Continued on Page 2, Col. 2.)

## IS GREAT NEED FOR WORN CLOTHING FOR DESTITUTE BELGIANS

(Associated Press Telegram)  
Cleveland, March 20.—Although four more days remain for the collection of worn clothing for destitute Belgian and French people living in the German lines, nearly the entire 950 tons quota given to the Red Cross chapters in Ohio, Indiana and Kentucky has been received, according to a statement given out today at Lake Division headquarters here. Hope was expressed that Lake Division chapters would nearly double their quota.

Speaking today of the need for contribution of worn clothing and bedding, Frank E. Abbott, director of the bureau of development, lake division, said:

"Even the wealthy Belgians today are suffering from the present severe economic situation in their country, while with the poor conditions are ten times more difficult. The German government during the winter has found it necessary to requisition all wool mattresses from the Belgians. In the north of France mattresses are now made of sacks stuffed with dry leaves. Everywhere the need of blankets is enormous. Empty flour sacks are being made into clothing so scarce has cloth become."

## MARTIAL LAW HAS BEEN DECLARED BY NATIONAL COUNCIL

(Associated Press Telegram)  
London, March 20.—The Ukrainian national council has declared martial law in the provinces of Poltava, Tchernigov and Kharkov, according to a Reuter dispatch from Petrograd.

Freight traffic has been resumed on portions of the railway lines near the Baltic held by the Germans. The Russian Orthodox church has presented a peace treaty to the Russo-German peace treaty prescribe its authority over the orthodox population in the territories lost through the peace treaty.

The Austro-German advance north of the Black Sea recently has been in the provinces of Poltava, Tchernigov and Kharkov. Parts of these provinces are not included in the Ukraine, although the boundaries of the new country have not been fixed definitely.

## OHIOAN WOUNDED

(Associated Press Telegram)  
Ottawa, Ont., March 20.—A Canadian overseas casualty list, issued here today, mentions the following American: N. English, Wren, O. wounded.

## ALL-AMERICAN STAR OF GRID SOON TO BUCK THE HUN LINE

Albert Benbrook.

Al Benbrook, the old Michigan football star and regarded by many experts as the greatest guard ever developed in America, is soon to buck the Hun line in the greatest game of all. Benbrook is now a lieutenant stationed at Camp Zachary Taylor.

## MURDER OCCURS EARLY TODAY AT EVERETT QUARRY

Coroner W. L. Jackson and Sheriff Charles H. Swank were called to Toboso at 3 o'clock this morning to investigate the murder of a colored man, Harry Jones, who is said to be from Alabama. Jones was found with a bullet wound through the heart, and the investigation showed that the shooting had probably been done by Russell Hunter, another negro.

Both the men have been employed at the Everett-stone quarries. Hunter, who with two brothers lives in Toboso, has been in that vicinity for about three years, while Jones but recently arrived from the south.

A celebration was on at the home of Walter Hunter, a brother of Russell, last night, and it seems the shooting is the result of a drunken melee. All the participants are non-committal today, and when the sheriff and coroner arrived on the scene they were taken up stairs by Walter Hunter, and shown the body which was lying on the floor.

"My brother shot him," was the only information the coroner could get from Hunter, and when asked where the gun was and where his brother was, he merely shrugged his shoulders and vouchsafed the answer "gone."

Before Coroner Jackson arrived they told the sheriff that Jones had rushed at Hunter with a knife and that Hunter had pulled a gun and shot him. Inquiry in the vicinity of Toboso shows that Hunter was regarded as a bad character. It was known he had a gun and an effort had been made to take it from him, but he claimed that he had pawned it.

Coroner Jackson ordered the body brought to Newark and it was removed to the Criss Brothers' undertaking parlors where an autopsy will be held this afternoon by Dr. Jackson, assisted by Dr. H. J. Davis.

Sheriff Swank will probably locate Hunter before the day is over.

## POLICE WORK ON MURDER MYSTERY NEAR CLEVELAND

Cleveland, March 20.—Cleveland police were asked today to assist in solving the mystery in the death of William Roberts, wealthy Palmyra farmer, at Diamond Station, Monday.

A negro, who, it is thought, may have murdered and robbed Roberts is believed to have fled to Cleveland. Roberts' body was found near Diamond Station. Bruises on the head indicated an attack. No money was found on the body but it is said Roberts had about \$70 when he left home.

Coroner L. A. Wolf of Portage county, declared that Roberts died of heart failure but could not say whether his death might be the result of an attack.

## GERMAN AIRPLANE DROPS MUSTARD GAS IN AMERICAN SECTOR

With the American Army in France, Tuesday, March 19.—A German airplane, both last night and this morning, flew over the American sector, northwest of Toul, and dropped rubber balls 18 inches in diameter filled with liquified mustard gas. This is the first time, so far as known, that an airplane has been thus equipped.

The effect of the gas was not serious, but the American troops were infuriated by what they termed the "dirty warfare."

A sample of one of the rubber containers has been obtained.

## CAMP SHERMAN SELECTS READY FOR OVERSEAS

Men Elated at Persistent "Tip" That They Will Be Sent to Front

## ARTILLERYMEN EXPECTING TO RECEIVE FIRST CALL

Spring House Cleaning is Taking Place at Big Cantonment

(Associated Press Telegram)  
Camp Sherman, Chillicothe, O., March 20.—Artillery selects are elated over the persistent "tip" that the 158th artillery brigade is slated to be the first part of the division to be called for active service in France. Officers profess ignorance over any definite word from the war department to the effect that the artillery men will be sent to the fighting front before many months.

Of the three regiments, the 322nd light field artillery has completed its range-firing, while as soon as the 323rd is done, the central Ohio selects of the 324th heavy field artillery will take their howitzers to the range. When this regiment has completed its work officers say practically all of the remainder of the training for the artillery regiments can best be done in France.

The visit of two officers to the inspector general's department here this week who have so far spent all their time with the artillery regiments has added to the persistency of the rumor that the artillery men are soon to be called. Officers decline to comment on the report, but that they admit that the three regiments are well advanced in their training.

One hundred and ninety-nine officers-to-be, from the third officers' training school here in the single battery have been sent to the artillery range to fire the same course the regular batteries have fired. Officers say that it is one of the few student batteries to be given the opportunity to actually handle their own field-pieces. The candidates are enthusiastic over the opportunity to work on the range. (Continued on Page 2, Col. 2.)

## EARLY CLOSING IN LONDON GOES INTO EFFECT ON APRIL 1

(Associated Press Telegram)  
London, Tuesday, March 19.—It is now proposed to have the 9:30 o'clock closing of theaters and restaurants come into effect on April 1, and as summer time will then be 8:30 p. m. Most people believe that the curfew order now proposed will apply only to London and southern England and will when formally made, embody greater restrictions than were supposed at first.

One instance is that more trains are to be taken off and the suggestion even is made that London subways and street cars will discontinue operations at 9:30, while store keepers will be prohibited from lighting their windows. One effect of the order may be to get the people to work earlier, thus bringing the entire day into line with the proposed change.

Clubs and private hotels, as well as charity entertainments are also to be compelled to close earlier. Travelers will be unable to obtain refreshments with them as they did in the days before railroads came into use. The decrease in the number of railway trains will bring about a faster transport of food. The earlier opening of theaters is expected to assist the railroads automatically, as it is believed it will have the effect of preventing those who go home after the day's work from rushing back to the theater.

## CONTINUED AERIAL FIGHTING REPORTED ON BRITISH FRONTS

(Associated Press Telegram)  
London, Thursday, March 19.—Intense aerial fighting on the British front in France and Belgium, twenty-eight German airplanes were accounted for by British aviators, says the official statement on aviation operations tonight. Twelve British machines are reported missing. The statement reads:

"Nine tons of bombs were dropped Monday on enemy rest billets and ammunition dumps and also on the Busigny railway station and two air-dromes, one of which was occupied by large bombing machines.

"Aerial fighting was exceedingly intense, encounters occurred between large formations. Nineteen German airplanes were destroyed and nine were driven down out of control. Twelve of our machines are missing.

"Six hundred bombs were dropped during the night on two air-dromes used by enemy night flying machines and on ammunition dumps and billets. All our machines returned."

## HAS \$60,000 BUT KEEPS STORE JOB

Miss Ruth Johnson.

Miss Ruth Johnson of Kansas City keeps right on selling goods in a store there despite the fact she has inherited \$60,000 from her grandfather, Henry Johnson of Darrille, Ill. Johnson committed suicide recently.

## KENT, IDENTIFIED AS DEAD MAN IS VERY MUCH ALIVE

(Associated Press Telegram)  
Cleveland, March 20.—James Kent, 28, identified as the victim of a gun-fight in Old Fort, O., six months ago, and the body of the victim buried as his, was very much alive and in the hands of local police today.

Kent was arrested early this morning after a struggle with a squad of policemen, following a mysterious tip that the "dead" man was at a Lorain avenue house. He is being held on a charge of violating a parole and will be sent to the Mansfield reformatory.

Kent was thought to have been shot and killed in Old Fort, O., on September 19, 1917, in a gun-battle with railroad detectives. At that time Mansfield reformatory authorities identified the victim of the railroad detectives' bullets as being Kent. The body was turned over to a Fremont, O., man who buried it in that city.

Prior to the time Kent was supposed to have been killed, he had not been heard of since April 4, 1916. He had been serving a term in the Mansfield institution on a charge of car-breaking, and while being transferred from one department to another, he escaped from the attendants.

## TAX SLACKERS WILL BE DEALT WITH SEVERELY

(Associated Press Telegram)  
Washington, March 20.—Tax-slackers who fail to file their income tax report by April 1, will be prosecuted as vigorously and relentlessly under the war revenue act as draft slackers were under the selective service act, according to a statement made today by Daniel C. Roper, commissioner of internal revenue. Revenue officers in every section of the country are checking up returns with a view to beginning prosecutions against tax-dodgers.

"To the credit of the nation it may be said that I have gratifying and conclusive evidence that these income taxes will be paid by the great majority of the American people cheerfully and willingly. But the duty of the honest man does not end with the payment of his own tax," said Commissioner Roper. "I call upon him to aid in bringing into camp the tax-dodger. A man so negligently as to seek to evade what his representatives in congress have declared to be his just share of a tax imposed for the support of our arms is deserving of no consideration and will receive none."

## PASSENGER NAVIGATION TO OPEN ON THE GREAT LAKES

(Associated Press Telegram)  
Cleveland, March 20.—Passenger navigation on the Great Lakes will open next Monday, the earliest date in eight years, when the Detroit and Cleveland Navigation company begins daily service between the two cities, the first boat leaving Detroit for Cleveland Monday morning and returning to Detroit that night. Daily passenger boat service between Cleveland and Buffalo is expected to begin about April 16.

## EXPECT REPLY FROM HOLLAND BEFORE NIGHT

Government Advised Today That It Is Now On the Cables

## VESSELS WILL BE SEIZED BY ALLIED GOVERNMENTS

Delayed Because of Desire to Show Every Courtesy

(Associated Press Telegram)  
Washington, March 20.—Holland's reply in the shipping negotiations is on the cables, the government was advised today and is expected to arrive before night.

The nature of the reply was not disclosed, pending the issuance of a proclamation by President Wilson which had been prepared in advance and was awaiting only news of the conclusion of negotiations in London.

The American and British governments were ready to take over all Dutch vessels in their waters Monday but seizure was delayed here pending word that the Netherlands government had acceded to their demands. Whatever the reply, however, it was said, the ships would be taken.

Seizure was delayed chiefly because of a desire to show every courtesy to the Dutch government but it has been indicated for several days that neither the United States nor Great Britain would go through another long series of negotiations.

## MAY MAKE CONCESSION.

(Associated Press Telegram)  
London, March 20.—The conditions laid down by the Dutch foreign minister for the acceptance of the demands of the associated governments as regards the taking over of Dutch shipping are not likely to be acceptable to those governments, according to a Reuter dispatch from The Hague, filed yesterday. It adds, however, that the concession may be made to the extent that the arming of the Dutch vessels may not be insisted upon.

## BAPTISTS MAKE A DRIVE FOR \$100,000 FOR WAR WORK FUND

(Associated Press Telegram)  
Columbus, March 20.—Ohio Baptists today started their drive to raise \$100,000 for war-work. The campaign, a part of a nation-wide movement being promoted by laymen of the church for raising \$1,000,000, will continue until Easter. Today is Baptist service day throughout the state and every member of the denomination is being asked to give today's earnings to the fund.

Farmers' wives are giving the eggs their hens lay this week to the fund. "Golden egg week," adopted by the campaign workers of the state, is attracting interest throughout the country. It is estimated that 25,000 dozen eggs will be turned over to the fund.

Leading business men of Cleveland, Cincinnati, Dayton and Columbus, head the movement.

## SNOW RETARDS ALL MILITARY ACTIVITY

(Associated Press Telegram)  
Headquarters of the Italian Army, Monday, March 19.—The snow along the mountain fronts has been reduced considerably by mild weather recently but the amount remaining is sufficient to retard extensive operations. Military activity is confined chiefly to patrol actions and aerial encounters.

The Plave front also is affected by spring, freshets having made the stream too wide and deep for crossing by considerable bodies of troops.

## RUSS WARSHIPS MAKE ESCAPE

(Associated Press Telegram)  
Washington, March 20.—Russian warships at Odessa escaped to Sebastopol when the Germans took Odessa according to a dispatch to the state department today from American Consul Summers at Moscow. Recent press dispatches quoted Berlin authorities as declaring that fifteen ships were taken when the city was occupied.

## CLASSED AS UNDESIRABLES

(Associated Press Telegram)  
Washington, March 20.—Investigation has convinced the department of justice that the two women and the two men claiming French citizenship recently arrested in New York for suspicion of connection with the German spy ring, can only be classed as undesirable citizens rather than as spies. On this conclusion they will be deported.

## What Our Neighbors in Ohio Say

### About a New Discovery

Many local people are glad to testify to the good results obtained from Anuric, the discovery of Doctor Pierce of the Invalids' Hotel, Buffalo, N. Y., for kidney and bladder disorders, backache, rheumatism and all ural acid troubles. This is what Mrs. C. L. Cramer says:

Des Moines, Ohio.—I saw an advertisement in the paper of Dr. Pierce's Anuric Tablets and sent for a trial package. I had doctoring a cold and for ten years, I often had different kinds of medicine for kidney or bladder trouble, which the doctor thought I might have. Well, I never got any better. Sometimes I would be disturbed at night, and at other times I would be disturbed in the day. I had a soreness in my back and an awful weak back. So I wanted to see if the trial package would benefit me. I felt better from the first so I went to the drugstore and got a small bottle of Anuric Tablets and took all of them and never had to get up any more. After that I can say Anuric is just as recommended. When the kidneys are weak or diseased, these natural filters do not cleanse the blood sufficiently, and the poisons are carried to all parts of the body. These follow depression, aches and pains, heaviness, drowsiness, irritability, headaches, chilliness and rheumatism. In some people there are sharp pains in the back and loins, distressing bladder disorders and sometimes obstinate dropsy. The ural acid sometimes forms into gravel or kidney stones. When the ural acid affects the tissues, muscles and joints, it causes lumbago, rheumatism, gout or sciatica. This is the time to try Anuric, double strength, the discovery of Doctor Pierce, for kidney trouble and pains in the back and all over body. Write Doctor Pierce, Invalids' Hotel, Buffalo, N. Y., and send 10c. for a large trial package—this will prove to you that Anuric is many times more potent than fruit and eliminates the ural acid from the system as hot water melts sugar—ask your druggist now for a 60c. bottle of Anuric.

### Use Coconut Oil For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulitised coconut oil (which is pure and entirely greaseless), is much better than the most expensive soap or anything else you can use for shampooing, as this can't possibly injure the hair. Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage. You can get mulitised coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

## DR. C. C. WEIST M. D.

WILL MAKE HIS  
225th Visit to Newark  
THURSDAY, MAR. 21ST  
WARDEN HOTEL  
9 A. M. TO 8 P. M.

IF YOU ARE SICK SEE  
DR. WEIST

### Practice Limited

To chronic affections of the Head, Nose, Throat, Stomach, Liver, Bile, as indigestion, Dyspepsia, Biliousness, Constipation, Diarrhoea, Blood, Heart, Skin, Rheumatism, Eczema, Pimples, Blood Poison, Bad Blood, etc.

### Home Treatment for Women

Dr. Weist's treatment for women does not include any humiliation. No operations, remedy is harmless and can be used privately. Consultation free and confidential.

### Diseases of Men

Dr. Weist wants a private, heart to heart talk with every man who is weak, nervous, broken down, discouraged, or suffering from any disease caused by ignorance, excesses, contagion, incompetent treatment or neglect.

### Why Consult Dr. Weist?

He has made regular monthly visits to this community for fifteen years, and has an established practice. His practice is limited to Chronic Diseases, and he has spent practically all his life in the study and treatment of them. His practice consists mainly of long-standing cases who have failed to get satisfaction elsewhere.

### Remember

That Dr. Weist invites you to call and consult him and investigate his work and method of treatment and that he charges absolutely nothing for consultation and examination.

G. C. WEIST, M. D.  
Sole Dispenser, Columbus, Ohio

## SEC. BAKER WAS UNDER FIRE IN FRONT TRENCHES

(Continued from Page 1)  
The Germans ran into mine position and took their guns with them. The American guns then shelled the village of La Haville where two heavy explosions, apparently of munition stores, were caused.

The German artillery directed most of its attention to dropping a few gas shells into one or two towns within the American lines and shelling a cross roads known as Death's Corner during the day and night.

Last night American patrols entered the German front lines at two points, but did not see a single enemy soldier although they hunted some time. Another patrol remained in the enemy wire entanglements all night hoping to ambush an expected enemy party, but it did not appear. A third patrol party was discovered by the Germans who hurled hand grenades and forced the Americans to withdraw. Still another established contact with an enemy patrol and a few shots were exchanged. The Americans came through unscathed but it is not known what happened to the Germans.

Many airplanes were up until it began to rain at noon. One airplane from the rear of the American line drove off two Boche machines after a thrilling battle in and out of the clouds. Another airplane was engaged against a German when a second German joined in the fight. A second friendly air man came up to assist but it was too late for the airplane the Americans hoped would be victorious fell to the ground within the enemy lines.

In the sector east of Lunerville the artillery continues active and a few American patrols have reached the German lines. One party encountered an enemy patrol and forced the Germans to withdraw after a short skirmish.

A certain Irish regiment was bombarded heavily to day with big shells. Reports from both the Lunerville and Toul sectors say that more German gas projectile batteries have been discovered and blown to bits by the American gunners.

Lieutenant Green and Sergeant Norton and Walsh all have received the French war cross, Norton and Walsh being decorated personally by Premier Clemenceau, on March 3.

Lieutenant Green, an artillery officer, was wounded by shell fire early in March. Sergeant Norton, a veteran in service, formerly resided in Arkansas. He was decorated by Premier Clemenceau for his act in killing a German lieutenant and two German soldiers. He was challenged by the lieutenant to leave his dugout and led out his men fighting. Sergeant Walsh formerly of Chicago, also is a regular army veteran. His French decoration was received for heroism on the Toul sector. He took command of a detachment in front of the American wire entanglements when his captain was killed and continued the fight. Sergeant Walsh was selected by General Pershing to act as orderly to Secretary of War Baker during his present visit to the American army in France.

## CAMP SHERMAN SELECTS READY FOR OVERSEAS

(Continued from Page 1)  
50 of them at a time have served as observers with the regular batteries. The men are firing under the supervision of Colonel T. Q. Ashburn, commanding the brigade.

Captain Herman Archer, an old regular army officer, is in direct command of the brigade. Lieutenant H. Curtis, adjutant at Camp Sherman's big base hospital, today received word of his promotion to captain in the sanitary corps. Captain Curtis, who served 22 years in the regular army, received his commission last summer, being promoted from a master hospital sergeant. He has seen active service in Porto Rico, Cuba, the Philippines, and other dependencies. His home is in Buffalo. He has been in the army since he was 18 years old.

Camp Sherman is undergoing a process of spring house-cleaning. All unsightly stumps and other unsightly eye-sores along Columbus avenue have been removed by fatigue squads from all of the regiments in camp. Some of the stumps had to be blasted before they could be removed. Orders have been issued to the effect that all electric light, telephone, telegraph and other poles be whitewashed to a height of seven feet from the ground. All of the big sign-posts along the main highway are to be straightened.

Artillery regiments were given a field inspection similar to that which the infantry units were subjected last week. The selects pitched their "pup" tents and stood at "attention" in front of their tents as the inspecting officers looked over each man's equipment and personal belongings with eagle eyes. The regiments are being taken out one at a time.

### Not All Gone

First Ceno—It's too bad your friends have all married and left you in the soup.  
Second Ceno—Oh, I don't know! There are still a few good noodles left! Flycatcher.

"Experience is a good school," suggested the Wise Guy. "Yes, but there are no vacations," objected the Simple Mag.

## BELLANS

Absolutely Removes Indigestion. Druggists refund money if it fails. 25c

## WILL CARRY CASE TO HIGHER COURT

A case for provoking a breach of the peace has been holding the attention of the mayor's court for the past few days, and brought several Italian factions armed with attorneys in attendance.

Toby Trubiana sued Miss Albina Maranotte, stating that she provoked the peace by rude and indecent language. The case was first postponed on account of lack of interpreters, and later was continued until yesterday afternoon at 2:30 o'clock.

The mayor reserved his decision until 10:30 o'clock this morning when he found the defendant guilty; fined her \$5 and costs—and ordered her committed to the county jail until paid. She at once gave notice of carrying the case to the higher courts and was bound over to the common pleas court in the sum of \$50, which was furnished.

## LONG DELAYED BANQUET FOR THE LICKING SELECTS

Emmett McDaniel, together with a large force of waiters and chefs, left this morning at 7:30 o'clock for Chillicothe where the much-delayed Christmas dinner will be served to the boys in camp from Newark and Licking county. Arrangements have been made with the Elks club to serve the dinner in their hall at 8 o'clock this evening. The large motor truck of Joe Annarino was heavily loaded with many good things and the boys are assured of a dinner never to be forgotten. Preparations have been made to serve 250 men. About 35 of the local business men left at different times today for Chillicothe to help make the dinner as successful as possible.

## ORDER RECEIVED BY COCHLAN MILL FROM GOVERNMENT

The E. A. Cochlan planing mill of this city, has received an order for 6000 shipping cases from the government. The plans and specifications for the construction of these cases are furnished by the government. They call for white pine lumber and must be made so that they may be sealed after packing. The lumber used for the construction of the cases will amount to 150,000 feet.

## PETROGRAD CALMLY AWAITS CAPITULATING TO THE GERMANS

(ASSOCIATED PRESS TELEGRAM)  
London, March 20.—Occupation of Petrograd by the Germans is only a matter of hours, according to a dispatch from Petrograd to several of the morning newspapers. The Russian capital is said to be assuming a waiting attitude and is not displaying the slightest sign of organized resistance.

## CONFESS TO PLANNING ROBBERIES NETTING A SUM EXCEEDING \$20,000

(ASSOCIATED PRESS TELEGRAM)  
Toledo, March 20.—Four robberies, in which the loot aggregated \$20,000 in cash and jewelry, are now charged against five men held here in connection with the recent robbery of the Doehler Die Castings company paymaster.

Police Chief Herbert today announced that Arno Hoffman, alias Jimmy the Greek, arrested in Cleveland had confessed that he planned some of the robberies, and that his work was on a commission basis. The robberies for which the men are held are: A Sales company, jewelry, \$5,000; Turf Exchange saloon, \$7,800; Doehler Die Castings company paymaster, \$8,900; M. M. Kraus, saloon, \$3,500.

All the robberies occurred here in daylight within two months. The Kraus saloon is in a factory district. The proprietor was preparing to cash workmen's pay checks when bandits held him up.

## FRENCH TROOPS TAKE NUMBER OF PRISONERS

(ASSOCIATED PRESS TELEGRAM)  
On the French Front, Monday, March 18.—On a raid into the German lines at Malancourt wood, northwest of Verdun, Sunday, French troops found the German shelters full of troops waiting to launch a counter-attack. A shelter, with all occupants was destroyed by bombs. A large number of German trench mortars was demolished and many machine guns were brought back by the French. While the prisoners taken in the raid were going to the rear, the German artillery fired a large number of shells which claimed 12 victims among the captives.

## JOINS THE CIRCUS

Eddie Wall of the Barnum & Bailey circus was in the city Monday, the guest of friends, on his way from Millersport, O., to New York City, where the circus opens at Madison Square Garden next Monday. Mr. Wall is the assistant treasurer and has spent a great part of the winter at Buckeye Lake, having a cottage near Millersport.

## FIRST QUOTA TO LEAVE FOR CAMP SHERMAN

The first 24 men to be sent to Camp Sherman by the county board have been selected and will leave as soon as orders are received from Provost Marshal Crowder, through Adjutant General Wood at Columbus. Four alternates have also been named and the men will leave some time during the five days beginning Friday, March 20. Those constituting the first quota, together with their order number, address and serial number, are as follows:

- 24—Frank McGrudder, Utica, 1913.
- 53—J. Miller Bonnette, Granville, 437.
- 119—Earl Garabrant, Newark, 1419.
- 217—Francis M. Moore, Newark, 1141.
- 220—Willis A. DeMoss, Buckeye Lake, 1688.
- 722-1-2—Earl Baker, Granville, 2005.
- 275—Roe W. Hammond, Alexandria, 1585.
- 312—Hendricks Carpenter, Utica, 1866.
- 369—Horace R. Biggs, Granville, 504.
- 371—David O. McCualsky, Newark, 1205.
- 470—Clay D. Wyman, Johnstown, 1447.
- 541—Enos Eyra Peters, Croton, 780.
- 562—Chester E. Rice, Newark, 1270.
- 568—Leverett B. Van Dorn, Pataskala, 1109.
- 583—Willis C. Jones, Utica, 1968.
- 587—Cary W. Neighbarger, Utica, 1917.
- 597—Abe N. Ritchey, Utica, 1889.
- 603—Floyd R. Thompson, Johnstown, 1379.
- 608—Morgan L. Burkham, Pataskala, 1075.
- 618—James B. Dove, Utica, 1875.
- 620—Herbert L. Loomis, Utica, 1977.
- 627—Frederick W. Gebhart, Newark, 1180.

### Volunteers.

- 1380—Wendell D. Edgerley, Pataskala, 850.
- 1725—Charles James Williams, Granville, 425.

### Alternates.

- 634—Thomas D. Young, Newark, 430.
- 640—Russell R. Peters, Pataskala, 1098.
- 649—Ernest R. Laughrey, Hanover, 1258.
- 656—Clarence Miller, Newark, 1199.

In accordance with instructions received from Washington, all registrants who have been placed in Class I-B on their agricultural claim have been omitted in the selection of men to fill this quota. This is on the assumption that they are actively and industriously engaged in the planting or harvesting of crops, and the interests of the nation require that they be not inducted into military service at this time.

The local board has no information as to the exact time for the induction of these men, except that it is to be sometime during the five days beginning March 29. Official lists will be mailed to each man at the earliest possible moment after the receipt of the official mobilization order.

## GERMANS WILL SOON OCCUPY THE CAPITAL

(Continued from Page 1)  
active on the sectors which were bombarded heavily last week—Ypres, Arrmentieres, Cambrai, the Champagne, Verdun and the Vosges. The marked aerial fighting on the British front continues and British aircraft have accounted for twenty-eight more German machines, making a total of fifty-four in two days, thirty-seven of which were destroyed. Entente aviators have been busy bombing enemy billets and airdromes and British airman have dropped bombs on Mannheim, Germany.

On the Toul sector the Americans have been repaying the Germans for their lavish use of gas shells, by throwing large numbers of the same shells into the enemy lines. The bombardment is reported to have had the desired effect by the American gunners. Towns and positions behind the German lines also have been subjected to American fire while the enemy has replied with gas shells. East of Lunerville the big guns have been busy and in both the Lunerville and Toul sectors American gunners have demolished more German gas projectors.

Secretary of War Baker visited the American trenches Tuesday and when he was returning a large German shell struck and burst dangerously near the automobile in which he and his immediate party were riding. The enemy shell caused no damage.

Russian advisers indicate that the Bolsheviks while preparing to give up Petrograd without a struggle, are seriously concerned over Moscow, fearing they may have to evacuate the ancient capital as well as the modern one. The movements of Tatonian troops eastward are considered so menacing as to threaten the evacuation of Moscow where the Bolshevik government has established and talk is heard of moving the government anew, possibly to Nizhni Novgorod or even to Saratov more than 400 miles to the south-east.

Meanwhile the advice also seems to indicate that the Bolsheviks are leaning more strongly toward the entente and particularly upon America for support. Their foreign minister has declared that the relations of Russia with the entente are considered to be unbroken and other leaders are taking pains to deny Bolsheviks have been arming German prisoners in Siberia or elsewhere and are reported as welcoming the reported American

## \$2,000,000,000 That's a Big Bunch of Money

Uncle Sam wants to use it in bottling up that scourge of the world—the German kaiser and his military autocrats.

It's a good use to put it to, and he can have that amount and as much more as he needs to make a good job of it. He'll pay us 4.27% interest, give us as security a mortgage on the biggest part of North America, all Alaska and the Philippines, and throw in for good measure San Domingo.

There are 100,000,000 of us who call the Stars and stripes our flag and if just half of us will save and loan our Uncle \$40 this year, that tremendous sum will be subscribed.

### IT LOOKS EASY IT IS EASY BUT IT TAKES ACTION

### START YOUR ACTION TODAY

### BUY A \$5 BOND FOR \$4.14

### OR A THRIFT STAMP FOR 25 CENTS

### EITHER WAY IS ALL RIGHT, JUST SO YOU START, NOW

### THE LICKING COUNTY WAR SAVINGS COMMITTEE.

### LICKING COUNTY'S SHARE OF THIS STAMP ISSUE IS \$1,236,180.

That means Licking county people must buy \$4000 worth of War Savings Stamps daily all this year if we are to do our part. The school boys and girls are doing wonderful work, but the grownups must get busy too. If the school children take their full allotment and then double it, the adults will still have a million dollars to raise for stamps in Licking county. So you see it is not altogether a child's job. The sum of \$828 invested before April 1 buys 200 \$5 stamps. It is a non-taxable, good interest-bearing and absolutely safe investment, and your money back with interest on ten days' notice, any time you want it. Where on the face of earth can you find a better proposition than that? Join the "Ohio \$1000 War Savings Society" now by buying 200 War Stamps. You will receive a certificate of membership signed by Governor Cox and State Director Wolfe.

Don't do your "BIT." Do your "BEST."

Your country needs your service, your money and your support now as never before. Buy War Savings Stamps now and throughout the war.

THE LICKING COUNTY WAR SAVINGS COMMITTEE.

### intention to investigate this question in Siberia.

First awards of the new American military cross for meritorious service by American soldiers are announced by General Pershing. The men honored are a lieutenant and two sergeants who received the decoration for extraordinary heroism in action. The Germans seem to have found a new method of inflicting suffering in warfare by the use of rubber balls, a foot and a half in diameter containing liquid mustard gas, dropped by airplanes. Several such were projected from the air upon the American troops in the sector northwest of Toul by German machines Monday night and Tuesday morning. No serious effects resulted.

## THREE KILLED AND 37 WERE WOUNDED

Washington, March 20.—First Lieutenant Frederick O. Klaring, is the only officer appearing in today's casualty list of 37 names. He was wounded slightly. Today's list shows three men were killed in action, two died of wounds; two died of accident; eight died of disease; five wounded severely and 17 wounded slightly.

### The list follows:

Killed in action:—Corporals Russell G. Hughes; George Miles; Edward Mitchell.

Died of wounds:—Privates Lloyd Culp; Frank Proisl.

### Australia's Rainfall.

A committee of the British Association for the Advancement of Science has recently collected samples of rainfall during a period of one year, at 16 stations scattered over the continent of Australia, and examined them quantitatively to determine their content of nitric and nitrous nitrogen. About 1,000 samples were examined and the results were compared with the records of the weather conditions under which the rainfall occurred. The general conclusions are that, for a given type of weather, the concentration of oxidized nitrogen in the rainfall varies inversely as the amount of rainfall, and that the total amount of oxidized nitrogen in a unit area found in the rainfall accompanying a storm depends upon the type of weather and is practically independent of the amount of rainfall, and that the total amount of oxidized nitrogen in a unit area found in the rainfall accompanying a storm depends upon the type of weather and is practically independent of the amount of rainfall. The highest total amounts of oxidized nitrogen were found at southern and inland stations in rain water resulting from monsoonal storms following a heat wave.—Scientific American.

### LONG DRIVE AHEAD.

Seven Dodge and 20 Buick automobiles passed through the city this afternoon enroute to different points in North Carolina.

## 20TH ANNIVERSARY WAS CELEBRATED BY LOCAL ELKS

The twentieth anniversary of the institution of Newark Lodge No. 391 B. P. O. E., was fittingly celebrated last evening at the Elk Dining Emporium and club rooms of the order in East Park Place.

Six candidates, C. E. McDaniels, Deputy County Clerk J. S. Clifton, J. M. McBurney, C. W. Thompson, J. Oscar Juch and E. F. Wagenhals were initiated into the mysteries of Elkdom, the exemplification being given in a most impressive manner by the officers, all of whom were in full evening dress.

It was probably the largest gathering of Elks ever held in the city in years and after the closing of the

R. W. SMITH  
Past Exalted Ruler and Toastmaster  
at Elk Anniversary.

business session all marched to the banquet hall, all the charter members of the order being seated at one table. Covers were laid for two hundred and the supper consisting of escalloped oysters and baked beans, with numerous side dishes, was prepared by the club steward, Col. Billy Hohl and Brother Johnny, and was served by a competent corps of experienced colored waiters.

At the conclusion of the most appetizing feast, Past Exalted Ruler R. W. Smith, assumed charge and performed the functions of toastmaster of the evening. He read letters and telegrams from charter members unable to be present, including one from Capt. Frank Warden at Des Moines, Ia., the first Exalted Ruler of the local lodge.

Toastmaster Smith followed with a fine flow of reminiscences and introduced Hon. W. D. Fulton, secretary of state, as one of the "Old Timers" of Newark lodge. Mr. Fulton was in most excellent form and delivered one of the finest addresses ever heard at the local club, telling of the spirit of Elk fraternalism which is drawing the members closer

and closer together each year. He concluded with a patriotic talk that appealed to everyone present.

The toastmaster then called upon Eugene Koos, first secretary of Newark lodge, Dr. H. H. Baker, J. F. Cherry, J. H. Newton, W. H. Smith, Frank Schimpf, Fred Wilson, and Johnny Goff, all charter members, and P. S. Neighbor, past Exalted Ruler, representing the younger element of the lodge. That concluded the program and all present pronounced it one of the finest functions which they had ever attended.

On Tuesday, April 2, the installation of the newly elected officers will take place and it is planned to make it one of the events of the year. The members of 391 are resolved to make the local lodge one of the best in the state and are putting forth every effort to increase its membership until it shall have reached the five hundred mark.

On Monday, April 1, will occur the big masquerade ball which will close the dancing series for the season. Each Elk will be entitled to invite a non-Elk and no one will be admitted to the ball room unless they are masked.

The Phoebe tournament closes March 29 and the "Old Sledge" tournament at the same time. The losers will banquet the winners the following week, Thursday evening, April 4, at the club rooms. On Thursday April 11, the last indoor inning will be held and the first summer outing will probably be given the second Thursday in May.

## RUTH MAC TAMMANY'S FATHER DIED TUESDAY

While Miss Ruth MacTammany, who appeared at the Auditorium theater last week, never let her audience suspect that she was suffering a great mental strain, nevertheless she was suffering greatly through the critical illness of her father, who died Tuesday at his home in Akron.

Miss MacTammany was in constant communication with her home while here, and while playing in Marion yesterday received word of his death. She immediately cancelled her contract at Marion and also at Zanesville, where she was to appear Wednesday, Thursday and Friday of this week.

## MID-WEEK LENTEN SERVICE TONIGHT

The regular mid-week Lenten service at St. John's Evangelical church will be conducted this evening at 7:30 p. m. Rev. Emil N. Krafft will speak on the subject: "Christ and Death." A most cordial invitation is extended to everyone.

On next Sunday evening, March 24th, at 7:30 p. m. the annual reunion service will be held. All who have been confirmed at St. John's altar are herewith invited to be present.

An automobile alarm whistle to be connected to the cylinders of a car, can be made to utilize the full force of their explosions when desired.

## TRUSTEES BOOSTING GOOD ROADS OVER NEWARK TOWNSHIP

The township trustees held their regular meeting, Tuesday afternoon, in their office in the convention room of the courthouse. This room will be the permanent office and meetings will be held semi-weekly, Tuesday and Friday afternoons at 2 o'clock.

Numerous bills were ordered paid and one relief case was adjusted in a manner satisfactory to all concerned. During the severe winter season the trustees had hundreds of relief cases to attend to; now there are but few, due in a large measure to the coming of springtime when practically all have employment sufficiently well-paid to provide all of the necessities of life.

According to a well-defined Ohio statute, township trustees may receive donations of labor, material, etc., for the improvement of roads over which they exercise control.

This statute, than which none better pertaining to roads was ever written, will be pleasantly enforced by the present board of trustees. Already two or three generous donations to Newark township roads have been received.

Notably among these was one from Colonel W. C. Wells for the improvement of Wells avenue, just outside of the city and west, and one from Mr. Jones, manager of the rail mill, for the improvement of the recently constructed road leading from the Cherry Valley road to the rail mill.

Mr. Moore, manager of the Bell Telephone company, and others have offered generous donations for the benefit of roads contiguous to the city.

Every progressive citizen of Newark city and township, at least every citizen who has at heart the welfare of the best city and township in all central Ohio, should donate something to make the roads of Newark township what they ought to be: the best in this part of the state.

Talk good roads on every possible occasion and let your talk be emphatic.

## VANATTA R. D. 1.

Myron Stinson and Robert Riley attended the corn show at Centennial Thursday. County agent, Mr. Mowis gave an illustrated talk on seed corn.

J. W. Clyde and O. D. Belt visited Mr. and Mrs. C. M. Porter, Sunday.

Nathaniel Householder visited his mother and brothers Ed and Mill, Saturday.

J. W. Dunlap and wife and wife and Mrs. Seth Havens motored to Newark, Saturday.

Mr. and Mrs. H. J. Pierson and family attended the Chatham school entertained Saturday evening.

A. M. Preston made a business trip to St. Louisville, Monday.

Mr. and Mrs. Ed Hoskinson attended services at Chatham last Sunday.

Mr. and Mrs. Ellis Clagget and family visited Mr. and Mrs. A. P. Riley, last Sunday.

## ACTIVITIES OF ST. LOUISVILLE CHURCH OF CHRIST

Good crowds and increased interest are attending the meetings at St. Louisville. Three additions were made to the church Sunday and much is expected in the next few days to come.

Music has been furnished for several services by Minor Mitchell and Miss Ochse of Newark.

Mrs. Charlie Van Winkle has sung a number of times in her usual pleasing manner.

"The Conversion of Cornelius" was the theme chosen by Evangelist Stambaugh for Saturday evening's discourse. Intense interest and attention were indicative of the speaker's power to create and maintain such interest.

The Bible school observed visitor's day Sunday with a good attendance. It was also Decision Day in the school. Two persons expressed a desire to unite with the church.

The Christian Endeavor Society met as usual in the evening and discussed the topic in various ways.

Mrs. Fred Schmid was leader of the meeting, the topic being, "The Art of Living With Others."

Following the Christian Endeavor meeting a service flag bearing two stars was dedicated to the memory of Dr. L. L. Marriott and Ernest R. Wintermute, who are serving as volunteers in the service of Uncle Sam. The former enlisted in the army and the latter in the navy. Another star, representing Mr. Moore is to be added.

The flag was presented to the church by Dean McClelland on behalf of the class of which he is a member, they having purchased it in honor of their former teacher and classmate. Appropriate songs were sung and prayer was offered for physical and spiritual welfare and for the ultimate good of humanity and the glory of God the Father.

"Conversion" was the basis of a very forceful sermon, preached Sunday evening by Evangelist Stambaugh.

## 25 Years Ago

From the Advocate, March 20, 1892. Mrs. Norpell was hostess to the members of the Review club. At this meeting the club was notified that it had been voted into the general Federation of Women's clubs.

Mrs. Isaac Claypool, mother of Mrs. Al Crayton, died at her home near Lancaster.

W. C. Orr, clerk in Hall's drug store was in Mt. Vernon today. Traveling Passenger Agent Page Cherry of the B. and O. is in Pittsburgh.

Wm. McNamar, aged resident of Newark township died at his son's home, west of the city, this morning.

15 YEARS AGO. From the Advocate, March 20, 1902. One of the most delightful social events of the week was the musicale given by Miss Mary Baldwin to the members of the Review club.

Prize winners in the Advocate rebus contest for the best composition are as follows: First, Emily Kerr

## SEVEN APPLICATIONS FOR ENLISTMENT AT RECRUITING STATION

Chief Commissary Stewart G. H. Harris, in charge of the naval recruiting station in the Memorial building, secured seven applications for enlistment yesterday, and four of the seven were accepted. Three enlisted as apprentice seamen and were put on the waiting list, they will be sent to Parkersburg, W. Va., the latter part of April for their final examination, after which they will be returned to Newark to await orders.

These were: William Barrett, 443 East Main street; John R. Woodruff, 97 Dewey avenue, and John Hoover, Johnstown. The fourth, Harry Horchler, 221 Mound street, enlisted in the naval aviation section and will be sent to Parkersburg next week.

Enlistments are being received in the naval reserve and those enlisting in this branch will see immediate service, either on the new merchant ships now in the course of construction, or on the Dutch ships, which are about to be seized by the government.

## "LADIES' NIGHT" AT REVIVAL MEETING

Last evening was designated as "Ladies' Night" at the big revival meeting at the First Presbyterian church and the Ladies Aid and Women's Missionary society attended in a body.

The chorus choir under the direction of Ralph E. Mitchell, rendered several selections which were greatly enjoyed by the audience as was also the beautiful solo by Mr. Mitchell.

Dr. Hazlett spoke on the work for the professing Christian. He said there are no boundaries for our Christian activities and much can be accomplished by the personal touch.

Tonight will be adult Bible class night. The brotherhood and other adult classes attending in a body.

## LARGE NUMBER OF CARS PASS THROUGH ON A LONG DRIVE

What was probably the largest shipment of Ford cars that ever left Columbus passed through the city yesterday afternoon about 4 o'clock. There were 52 cars in the party enroute from Columbus to Big Gap, Va., and were in charge of W. H. Wren, who is the agent for the cars in a half dozen Virginia counties. Mr. Wren, accompanied by 34 men, arrived in Columbus Tuesday morning and four hours later they started on their return trip, a distance of 790 miles.

The easiest way to get rid of a crowd is to take up a collection.

## WASHDAY

A Thrift Stamp Every Washday

The money saved in fuel will pay for it if you wash with Fels-Naptha soap.

Fels-Naptha makes boiling water unnecessary; no hot fire to keep going. In water of a temperature comfortable to your hands, it washes splendidly and avoids the damage that boiling water does to clothes.

## A BOY'S JOB.

FOR HIRE—Small boy with a small wagon, who would like to haul rubbish, light baggage, etc., to earn Thrift stamps. Clitz. phone B-176.

The Coshocton Tribune of March 19 contained the foregoing advertisement. It speaks a whole volume and at the same time is a suggestion to the boys of Newark.

The Coshocton lad who inserted that little advertisement in yesterday's paper will not only accumulate a fat savings account this year but he will be a success in the years to come or we miss our guess.

A short time ago a Newark boy, eight years old, came to The Advocate office and bought a newspaper with the only penny he possessed. In selling the paper he doubled his capital which was then invested in two papers. In four days that little chap earned 50 cents and he bought two Thrift stamps with it, thereby rendering his country a service, but really rendering himself a far greater service by learning the great lesson of thrift. That eight-year-old child who is still selling papers and adding to his government savings account is doing more for his country in this time of war than are many grown-ups.

If there is an ambitious boy or girl or any number of them desiring to earn Thrift stamps by doing some kind of service that he or she is fitted to do, The Advocate will be glad to publish, free of charge, advertisements of the kind above quoted. The boys and girls have a big part to play in the Thrift campaign, but the adults have a great work to do, too. Remember, that our country needs money, men, service and loyalty today as never before in all its history.

## OUT WITH THE HOE.

How about the garden this spring?

It is to be hoped that everyone who ran a garden last year will do it again. Some of those who had only partial success said last fall they would not. They looked at their poor yields of potatoes and beans, and could not see that they were paid for their labor and fertilizer and seed and other incidental bills.

Yet even these unsuccessful people raised some food. It helped keep down prices and assisted in feeding the soldiers. If they quit, the country will miss even the little they raised.

And for every failure there was some good reason. Furthermore, the cause of failure can be ascertained and avoided another time. Anyone who has tried it a year should have acquired experience enough so that with a little intelligent planning and good advice he can get a good result another time.

There are millions of back-yard gardeners in this country who last year raised products worth \$50 to \$100 each in their own yards. The assistance they gave to our country in this war is incalculable. They should do 50 per cent better than they did last year.

And there are a great many people who did not try it last summer who should make the effort this time. There were some who predicted an over-supply of vegetables. But no such overstock has appeared. The drain for supplies to Europe is going to be more each year. The fields of Europe are suffering from lack of fertilizer and lack of manpower. We must supply the difference. Every bushel of potatoes and beans provide food for some hun-

dry and exhausted soldier, and helps give him his fighting strength.

A month of adverse weather conditions, severe drought or too much moisture, could seriously deplete our regular farm crops. In that case we should face actual hunger. It is only wise and prudent foresight for every family to have a little independent stock of its own to fall back upon.

## KEEPING AT IT.

The popular mind is a funny thing. People will make a certain announcement once and think they have "got it over" to the public. But unless they make that statement over and over again, the public does not seem to get it thoroughly in mind.

If you are going to have an entertainment, and if you simply put out one announcement of it and don't follow it up, you will not be likely to get any crowd. People need to be reminded a number of times. Then they get it into their heads at least that it is important and interesting.

Some men will make quite an advertising splurge for once, and then keep quiet. They do not understand that it takes a certain amount of repetition to get an idea of any kind into the public mind.

A man who felt he could afford only a certain sum of money, would do much better to put in a quarter of a column ad. for twelve times, than he would to put it in three columns for once, though the space taken would be the same. The psychological effect of repetition week after week accomplishes more than can be done by the most eloquent writing or the most sensational effect of display.

While it may seem to require some effort for a man thus to get his name and business before the public, yet these psychological traits have their compensations. Once an idea is thoroughly established in the public mind, it sticks there a long, long time. Once people are led by persistent advertising to find that a certain store is a good place to trade in, the competitors of that store will work a long time to get the idea out of the public mind.

The people who kick because it will take the United States two years to get ready for war, are often the same ones who will take three years to wake up to the need for personal sacrifices.

Railroad trains are being taken off in large numbers, and pretty soon everyone will be down to the station in the good old-fashioned way to see the 4 o'clock train go through.

Some of the people who get so angry about the intrusiveness and impudence of the newspapers, may merely be upset because their name has not been noticed in the paper lately.

The people who will kick the hardest because the war is prolonged, may be the same ones who have been prolonging it by their untimely peace talk.

## THE FOURTH.

(Cleveland Plain Dealer.)  
The proper observance of the Fourth of July should not be curtailed this year because of the war, says President Wilson. There will be no fireworks sold in Ohio this year, declares State Fire Marshal Fleming.

One manufacturer of fireworks near Cincinnati insists that the marshal has no authority for issuing such a prohibition. "Manufacturers have other things to do besides making fireworks now," asserts Fleming. "Powder is needed elsewhere. It is probable that the coming Fourth, regardless of the questioned authority of the state fire marshal, will see less burning of powder than usual—and the burning of powder has been gradually going out of fashion for some years past. The Fourth has an unusual significance in view of what the United States is fighting for, and its celebration will not be generally discouraged.

There is more reason than usual, however, to make it a "safe and sane" Fourth. Whatever killing and mutilating Americans have to do should be confined to the German side of the great western line.

## CONFLICT THAT FOLLOWS.

(Ohio State Journal.)  
There will be much of this war left after the battles have been fought. It will be a peaceful conflict, however, carried on to give our democracy its right meaning. We are far short of that knowledge. The human relation is poorly understood. We have been so deeply engrossed in our rights that we have forgotten our duties. The chief duty of the future democracy will be to make us remember them, not by statute or decree, but by the spirit of humanity, which the dreadful war is getting into the hearts of men. The lesson of the trench and the shell will be the lesson of good will and charity for all. One cannot conceive of a small, selfish citizen coming out of the trenches or off of the cannon deck. There is going to be a greater vision for all. This will prove as much a matter of logic as it is when the blue skies follow the tumult of the storm. It is not a dream, but a glorious fact that dawns. Every man and woman must be a part of it.

## THE NEWARK DAILY ADVOCATE

In the soul, when the supreme faculties move regularly, the interior passions and faculties following, there arises a serenity infinitely beyond the highest quintessence of worldly delight.—South.

Oh, Well, That Kind.  
Poets narrate non fit.  
But poets do not be dismayed;  
We cheerfully will bet a bit  
Vers libre poets could be made.

The Undiscriminating Critic.  
Aunt Caline says:—Last Sunday night just after our preacher, Mr. Loud Talker, had begun on what he calls his discourses, a kinda pall thin man which he was a stranger an' nobody need him, come a-swallower in' down the ile an' 'bout no invitation set hisself down by Mrs. Loud Talker, her a-settin' cam an' pieceful into her phew. Well, this here man couldn't seem to make hisself noways comfortable, first

he'd turn kinda sideways an' then he'd set strate, an' then he'd wipe the sweat off his forehead—though land nose twan't no sweatin' weather. Well, pretty soon this here man he leans over an' whispers offie loud into Mrs. Talker's ear, an' says he, "I never heard sich a dad blamed pore sermon in awl my life," he says. "Did you?" "Mrs. Talker whispers back, "I didn't come here to be insulted," she says. "Yer rite, ma'am," says the man, reel harty, "an' neither did I. So if the dang fool don't let up pritty soon, less both on us go home," he says.

## The Stars.

The sky of March is of incomparable splendor. All the winter stars are still gleaming, while the warm stars of summer are emerging from their rest. Aldebaran, Bethegeuse, Rigel, Sirius, Procyon, Pollux, Capella, Regulus, Arcturus, Spica, ten stars of the first magnitude, are visible in the evening heavens. On our little earth March is a commingling of winter and summer. So the celestial March shows the seasonal miscibility. Wintry and summer gleam in the March sky. The bull, the huntsman, the two dogs, the heavenly twins are near the end of their course. Persistent Capella, friendly star of stars, from being a follower of the winter court, has become its leader. Arcturus and Spica, who be-

## BOYS ARE GRATEFUL.

(Columbus Dispatch.)

All of the Red Cross work that is being done for the soldiers is appreciated. Libelous rumors are heard from time to time concerning the Red Cross and other humanitarian organizations, and all manner of stories have been circulated about the boys not appreciating the sweaters and socks that were sent them. But we have it in a thousand letters from the front that the boys appreciate all of these things and that the garments actually reach those for whom they were intended. Here are extracts from a typical letter received a few days ago from a boy at the front; it was written to a woman who had sewed a label bearing her name and address on the inside of a sweater she had turned in to the Red Cross:

"The sweater was a godsend to me and I assure you it is appreciated—not only for what it is but principally for what it represents—the patriotic efforts of an American. When I received it I was wet to the skin, cold, sleepless, nearly frozen, and not a dry garment to my name. I had not seen my clothing roll for a month and had been out in the snow all the time. So you may know the material comfort was considerable, but I could endure cold without complaint if warm clothing or shelter were not available. The little touch of home, however, the feeling that you all are with us, the little expression of a woman's patriotic devotion to our country, the 'give this to some soldier in France who may need it'—those are things we can not do without. Those are things which we appreciate the things which inspire us, which spell America and make us feel that when we offer merely our lives we offer too little."

Is there a woman in this city who will not herself feel inspired at reading such words from an unknown soldier? Is there still one in this city who will dare to repeat the falsehoods concerning the value of the work being done by the women of this country?

## Spirit of the Press

Catch Contagion From That Sort.  
General March said a cheering thing when he recalled the remark of Gen. Roberts, formerly chief of the British General Staff, that whenever he felt discouraged he found it helpful to visit the trenches. "There is no pessimism at the front," added Gen. March. That is the message Gen. Barry brought back from the front. Maj. Frederick Palmer, newspaper correspondent, was surprised to find so much pessimism around Washington; he had encountered none of it in France. It would be well for people 3,000 miles back from the front to catch the contagion of confidence from the men who are in actual contact with the German line.—Philadelphia Record.

## Greet the Japanese.

"The Allies can make no better move than to sweep away all prejudice against the Japanese," says The San Francisco Chronicle. "While words from the Pacific Coast, where all this prejudice against the Japs seems to originate. That is the first clear note in behalf of the democratic spirit which puts a proscribed race up on the plane of human rights. Let the Japs sail in. Let their mus-

ketry blend with our own. It is all aimed at the world's foe. When two such grand agencies act together we need not fear the aftermath. If we were secretary of state we would see a Jap army in Siberia in 10 days or resign.—Ohio State Journal.

## Don't Forget It.

Buy more Thrift stamps. The chance to take a poke at oppressive royalty at twenty-five cents doesn't come to the proletariat of every nation.—Kansas City Star.

No.  
Don't take a poke at poker:  
Good friend, be better, wiser,  
You would enjoy—  
Just use your coin  
To take a poke at the kaiser.  
Nor will the fitness of its being  
handed to them by a general named  
Byng be overlooked. — Pittsburgh Post

If you'd rather be a miser  
Than these Thrift stamps to buy,  
SIT  
Then should he win,  
With a devilish grin  
He'll rob you, will the kaiser!

## Can't Paint the Lily!

The only contingency which we can imagine under which we should like to see the crown prince would be if he had the mumps.—Ohio State Journal.

Verses About Versatility.  
A girl can't throw a stone, that's so  
At least, so I have read. But  
she can cast a glance, I know. And  
she can toss her head.—Luke Mc-Luke.

That she can likewise throw a kiss  
is the Boston Globe's reply; and it's  
our meek observation that she can  
heave a sigh.—Lewiston Journal.  
Concede the dame is able, too, in  
other ways, by heck. For she can  
pitch her voice all right, and curve  
her swanlike neck.—Pittsburgh Post.  
She's stronger than she seems to  
be, for she can knock a patch, beat  
you at poker, too, and she can also  
strike a match.

## Did You Know

That belomania is a mode of divination by arrows? It is practiced among the Arabs and other nations of the east. A number of arrows being shot off, with sentences written on labels attached to them, and indication of futurity is sought from the inscription on the first arrow found.

## Back Up Japan.

There is a direct menace to the Pacific Coast of the United States. Once Germany gained control of the trans-Siberian railroad she could put submarines in the Pacific, to prey upon our commerce, to endanger Alaska and Hawaii, and even to threaten the safety of our coast cities. A Japanese army in Siberia would hearten the Russian revolutionists and checkmate Germany's scheme of building a vast empire from Berlin to Vladivostok on the Pacific. Instead of maintaining a policy of cool aloofness, our government should be urging prompt and vigorous action upon Japan.—Spokane Spokesman-Review.

## Fifty Convincing Words.

"If we are in a position to destroy the whole of London," remarks the Berlin Tages Zeitung, in an article advocating the destruction of 400 English towns, "it would be more humane to do so than to allow one more German to bleed to death on the battlefield. To hesitate or to surrender ourselves to feelings of pity would be unpardonable." The two sentences are an epitome of Germany's war philosophy. Millions of words have been printed in an effort to explain why civilization is arrayed against the land where such ideals are fostered. The Tages Zeitung has explained it in fewer than 50.—St. Louis Post-Dispatch.

## Pointed Observations

The French, in meeting Secretary Baker, will entertain no prejudice against man of small physique. The French remember Napoleon.—Springfield Republican.

When Secretary Baker braves the submarines his courage cannot be questioned. He was not under compulsion to go.—Buffalo Enquirer.

Lloyd George no doubt would appreciate a week-end vacation over in the front line trenches, where he wouldn't have to fight anybody but the Germans.—Macon Telegram.

Less talk and more work is Thomas R. Marshall's slogan for winning the war. But if he doesn't talk, how will people know who is their Vice President?—Richmond Times-Dispatch.

A resolution against Fritz LaFollette is very good, but not so good as would be a determination to get rid of him.—Indianapolis News.

No, the British navy hasn't done much. It has only kept the Germans from winning the war.—Charleston News and Courier.

It is doubtful if any enterprise has ever turned up more evidence of the selfishness of the average human being than our desperate efforts to get some ships built.—Savannah News.

Having whipped the Russian bear, with kindly assistance of the Trotsky crowd, the Germans thought it a good idea to also skin him, and they are doing it to perfection.—Raleigh News and Observer.

## TEASING THE BIRD AGAIN

The basis of the present peace talk is Germany's willingness to give up much of her western booty in return for the privilege of retaining the lands she has stolen in the East.

## WRIGLEY'S

—is the great war-time sweetmeat.

—the benefit, the pleasure, the economy of a 5c package of WRIGLEY'S

—has made it the favorite "sweet ration" of the Allied armies.

—send it to your friend at the front:

—it's the handiest, longest-lasting refreshment he can carry.

## SOCIAL EVENTS

SOCIETY EDITOR, AUTO PHONE 2122.

A shower was given at the home of Mr. and Mrs. Paul B. Grove in honor of Mr. and Mrs. Ludy Roberts Friday night.

Those present were: Mr. and Mrs. Ludy Roberts, Mr. and Mrs. E. Roberts, Mr. and Mrs. John Belt, Mr. and Mrs. George Belt, Mr. and Mrs. Calvin Boring, Mr. and Mrs. Stanley Dorsey, Mr. and Mrs. Ira Walters, Mrs. Lloyd Horn, Mrs. Frank Ryan, Mr. and Mrs. John Ryan, Mrs. Shaw, Mr. and Mrs. Grove, Misses May Parker, Edna and Opal Cluggish, Dorothy Crouse, Lulu Coffman, Florence Coyle, Mabel Ellis, Della Colville, Mildred Grove, Margaret Wright and Ester Bell Belt, Mesdames Clyde and Fred Boring, Ray Reichley, Carl Cluggish, Vernon Cullison, Oakley Green, Lester and George Coyle, Earl Clark, Lewis Roberts, David Shaw and Robert Orr Grove.

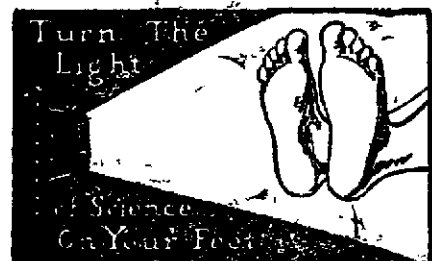

Mr. Carl Davis of Leroy street was surprised Monday evening by a host of relatives and friends. The evening was spent in playing games and with music. In the donkey contest prizes were awarded to Miss Paulina Siegle, Miles Brown and Mrs. Eliza Livingston. At a late hour a luncheon was served to the following guests: Mr. and Mrs. Alonza Davis and children, Lida, Bessie and Esther, Mr. and Mrs. John Siegle and children, Paulina, Frank, Helen, Fred and George, Mr. and Mrs. Walter Davis and Mr. and Mrs. Harry Davis and son Russell, and Mr. and Mrs. George Moran and daughter, and Mr. and Mrs. Earl Moran and daughter Helen, Mr. Lawrence Lea, Mr. Miles Brown, Mr. Charles Barcus, Mrs. Will Moran, Mrs. Eliza Livingston, Miss Georgia and Pearl Conklin and Mr. and Mrs. Carl Davis.

Mrs. Charles Cooper entertained the members of the Harmonious club on Tuesday afternoon at her home in Elmwood avenue. The hours were devoted to knitting and luncheon was served. The next meeting will be held at the home of Mrs. T. A. Adams in the Granville road.

A few of the friends of Charles W. Kent surprised him at his home in the National Drive Monday evening to assist in the celebration of his birthday anniversary. The hours were devoted to cards and supper.

## MOTHERS

Keep the family free from colds by using VICKS VAPORUB.

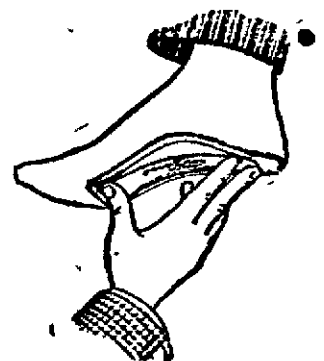

## A Foot Specialist Now at This Store

He is here to show you how to be rid forever of those foot discomforts that now bother you. He is a member of the staff of Dr. Wm. M. Scholl, the noted foot authority, and

## His Expert Advice is Free

Come in anytime while he is still here and let him examine your feet. He can tell the cause of the trouble in a minute and will show you how you can gain immediate relief and rapid correction.

No matter whether the trouble is corns, callouses, bunions, weak arches, flat foot, cramping toes, "rheumatic" foot and leg pains, weak ankles or something else, he knows just what should be done and will tell you.

## Here Only Until Saturday

Be sure to see him before he goes. We want everybody with bothersome feet to take full advantage of this chance. Don't let it pass but get started on the road to foot comfort now.

## KING'S

"Watch Your Feet"

was served, the appointments being in green and white suggestive of St. Patrick's day.

The following were the guests: Messrs. Lester Bradley, F. M. B. Winkle, E. G. Vanatta, George Bowor, Ray Evans, D. P. Kunniger, Maurice Kent and H. A. Kent of Zanesville.

On Tuesday evening, Mr. and Mrs. Edward Parker were surprised by a number of their friends from the S. S. Kresge company. At the same time Mr. C. E. Hewitt the manager presented them with silverware. The evening was spent in music and at a late hour refreshments were served to Mr. and Mrs. Chas. Hewitt, Mr. and Mrs. Chas. Harter, Beatrice Schmutz, Lura Harter, Viola Keck, Rose Klaus, Minnie Staugh, Doris Hewitt, Alice Jane Harter, Mrs. Schmutz, Clarence Crane and Dwight Lorimer.

## ABOUT PEOPLE

Mrs. H. S. Darnes of Pittsburgh is visiting her parents, Mr. and Mrs. C. A. Irwin of Buena Vista street.

Miss Mary Dinan of Columbus who has been visiting Mrs. T. O. Donovan of West Church street has returned home.

Frank Bolton was a business visitor in Columbus yesterday.

Mrs. J. H. Adrian, of Pittsburgh, is spending a few days with friends and relatives in the city.

Mrs. J. M. Caldwell of Pittsburgh is visiting her mother here.

Mr. and Mrs. Michael Daugherty, Arlington avenue, were called to Monroe, Va., this morning by the illness of their son, Albert.

## Milady's Boudoir

### Well-Groomed Nails.

Nothing adds more to the beauty of the hands than well-kept nails. While it is almost impossible to improve the shape of the hand itself, much can be done with the expenditure of a very little time and trouble, to improve the shape of the finger nails. No matter how rough your work, your hands and nails can be kept in good condition. With a little study and practice you can care for them yourself as well, and almost as quickly, as a professional manicurist.

Your manicuring outfit should include a sharp pair of scissors, an ivory cuticle knife, a bundle of orange-wood sticks, a bundle of emery boards, and a little polishing powder. Before attempting to treat the nails, soak the fingers in a little warm, soapy water. This is to soften the cuticle and make it more pliable. Next cut the nails, if that is necessary, following the shape of each finger tip so that the top of the nail and the end of the finger may be an even line. Long and pointed nails are in very bad taste and should not be sought for.

When the cutting has been done, take an orange stick and pass it gently under the skin at the base of each nail, raising it carefully so as to thoroughly loosen it. Great care must be taken not to bruise the skin in any way. When the cuticle has been thoroughly loosened, press the skin back with the ivory nail-trimmer until the half-moon is visible at the base of each nail.

Next comes the removal of any stains. To get these out rub the nails lightly with a piece of lemon. Should any small pieces of skin adhere to the nail, dip the orange stick in lemon juice and rub them. Lastly comes the polishing. For this smear a little powder over the nails and rub with a piece of chamois.

DO YOU KNOW OATMEAL? Do you know oatmeal makes delicious puddings and other good things?

NO. 5. Especially crisp and good as well as cheap are Scotch Oat Crackers.—2 cups rolled oats, 1-4 cup milk, 1-4 cup molasses, 1 1-2 tablespoons fat, 1-4 teaspoonful soda, 1 teaspoon salt.

Grind or crush the oats and mix with the other materials. Roll out in a thin sheet and cut in squares. Bake for 20 minutes in a moderate oven. Makes 3 dozen crackers. There's a lot of solid satisfaction in eating the fruit of your own soil, and, besides, it worries the Kaiser.

—U. S. Food Administration.

## Abe Martin

What's become o' th' folks that never used t' go any place where there wuzin' some cats? How are we goin' t' tell when a national holiday comes along after th' saloon is a thing o' th' past?

Small Hands. Lucky in love; unlucky at cards. I get you. You hold small hands in both cases.—Louisville Courier-Journal.

## THE COURTS

### Justice Jones' Court.

Perley Johnson, arrested on an affidavit filed by Eva Johnson on a charge of non-support and a peace warrant, waived examination yesterday afternoon in Justice D. M. Jones' court and was bound over to common pleas court in the sum of \$300.

### Case Continued.

George Murray was arrested yesterday afternoon by Constable Emmett Forgraves of Justice Jones' court on an affidavit sworn out by Maria Johnson on a charge of "beating" a board bill. The case was continued for three or four days in order to give the parties concerned an opportunity to make a settlement.

### Justice Horton's Court.

The case of George Tosio was heard yesterday afternoon at three o'clock in Justice Bert O. Horton's court and the defendant was bound over to probate court in the sum of \$200. Tosio was arrested on an affidavit sworn out by John Steven on a charge of assault and battery.

### Real Estate Transfers.

Amanda Debolts to George W. Mathews, inlot 2031 the Newark Glass Works addition, \$1, etc. George Smeltz to David Wells, part of lot 4280 Oakwood addition, \$1, etc.

George F. Richardson to William Clem, 48 76 acres in Licking township, \$4000.

Marietta Pierce to Lillian Codrington, lot 118 Cherryvale addition, \$1, etc.

### Common Pleas Court.

In common pleas court the case of the City of Newark vs. The Newark Natural Gas & Fuel Co., has been assigned for trial on April 15.

This case involves the right of the gas company to that portion of the escrow fund from August 1, 1915, to March 6, 1916, at which time the new rates fixed by ordinance took effect. The question at issue is whether the gas consumers are entitled to this money or the defendant gas company. About \$30,000 remaining of the fund is involved.

### Deininger Petition For Divorce.

Bernice Deininger filed a petition for divorce against Henry Deininger Tuesday in common pleas court. The parties were married October 15, 1904. The plaintiff prays for divorce from the defendant, and reasonable alimony. The plaintiff further prays that the defendant be enjoined by the court from incumbering the property or disposing of the same.

## OBITUARY

### Mrs. J. S. Hare.

Mrs. J. S. Hare, aged 87 years, of Cambridge, died Tuesday morning at 10 o'clock at the family home in Zanesville. Among three surviving children, one son, O. A. Hare, resides in this city.

### Miss Maggie Crossmuck.

Miss Maggie Crossmuck, living south of Jackson town, died very suddenly Tuesday night at 12 o'clock with heart trouble, aged 54 years. Funeral service will be held Thursday at 2 o'clock, standard time, at Fairmount.

### Ralph Combs Marvin.

Ralph Combs Marvin died at the Franklin sanitarium, Columbus, yesterday, of tuberculosis. He was born in Frankfort, Ind., September 2, 1892, and was 25 years of age at the time of his death.

Prior to his illness he was employed in this city by the Ohio Electric Railway and was a faithful member of the Church of Christ.

Surviving him are his mother, Mrs. Hattie Marvin, and two sisters, Mrs. Mary Hulsell and Mrs. A. B. Long, all of this city. The remains will be shipped to Lebanon, Ind., where the funeral services will be conducted on Thursday afternoon.

## FASHION HINT

This two-piece tunic of pussy-willow taffeta is an attractive model for spring. A novelty of the affair is the collar which forms two long panels with a deep gathered ruffle at the end which is turned in pointed reverses. The sleeves are georgette.

## STAR-YES-AND LIGHT WIZARD, TOO

Maude Adams.

Because she abhors personal publicity as "frivol," Maude Adams' light has been reposing under a bushel all these years. That is, one of her lights has. She is a star as an actress, of course. Now comes the fact that she has been directing the scenic work for all her plays for years and is an expert and an artist at procuring lighting effects. She is starring this year in "A Kiss for Cinderella."

Bleached hair is easy, but all the peroxide in the world won't give a girl a light heart.

# 22 Million Families in the United States

## 4 CUPS OF WHEAT FLOUR TO THE POUND

If each family used 4 cups of flour less per week, the saving would be 22 million pounds or 112,244 barrels every week.

The greatest help housekeepers can give to win the war is to make this saving and it can be done by using this recipe in place of white flour bread.

### Corn Meal Biscuits

1/2 cup scalded milk  
1 cup corn meal  
2 tablespoons shortening

1/2 teaspoon salt  
1 cup white flour  
4 teaspoons Royal Baking Powder

Save 1/2 cup of the measured flour for board. Pour milk over corn meal, add shortening and salt. When cold, add sifted flour and baking powder. Roll out lightly on floured board. Cut with biscuit cutter and bake in greased pan fifteen to twenty minutes.

Our new Red, White and Blue booklet, "Best War Time Recipes," containing many other recipes for making delicious and wholesome wheat saving foods, mailed free—address

ROYAL BAKING POWDER CO., Dept. H., 135 William Street, New York

## FOOD WILL WIN THE WAR

## Our Boys and Girls

Do not delude yourself and think, because your child is sleepy, he does not notice and treasure up in his mind the very way you put him to bed. Are there any among us who forget the sleepytime tale or story of our mothers, the good-night caresses of our fathers, or the favorite story read just as we were on the borderland of the land of dreams?

Comfort, too, plays the largest part of all. The child who sleeps alone with just the proper amount of bed clothing on, with the windows wide open to let in plenty of pure air, is the healthy and happy child. Many of us can now trace the bad dreams and restless nights of our childhood to bad management on the part of our parents.

The children's sponges will be kept very much cleaner and sweeter if they are soaked for half an hour weekly in salt and water and then rinsed and squeezed through clean cold water with a very little ammonia in it.

Always put a little borax into the water in which baby's mouth is washed. This will keep him from having thrush, which is a very common and often dangerous disease of childhood.

### SICK LIST.

Ed Williams of the firm of Williams and Eiber, tailors, who has been seriously ill at his home in West Locust street for the past two weeks, is slowly improving.

Bradley's ambulance removed Mrs. Jessie Miller from the City hospital to her home, 76 Cambria street, on Tuesday afternoon.

## Every Day Etiquette

"Do you think it would be correct for me to wear a linen colored dress outdoors this morning?" asked a little widow who had been in mourning only a few months.

"You should not wear such a color and you may only wear white this summer," answered her mother. "Not until two years have passed should you wear any color."

### SPRING HOUSE CLEANING.

Our new Spring Models are coming in and in order to make a thorough cleaning we are closing out all odd sizes less than cost. Both front and back lace. MacEwen's, 25 Arcade. 3-20-22

23132 Job Printing.

# Plant a Garden and Win a Prize

To Encourage the Making and Care of Home Gardens in Licking County This Season

## The Newark Trust Co.

In co-operation with the National Agricultural Association, is offering the prizes illustrated and described herewith, and is also issuing

## A Free Booklet on Gardening

WHICH TELLS

WHAT TO PLANT WHEN TO PLANT

HOW TO PLANT HOW TO CARE FOR

This is a most practical and valuable work, a large part of it by Luther Burbank, the famous "Plant Wizard." Besides giving a list of the prizes, it contains directions for making and using spray mixtures; tells how to identify and deal with the various insect enemies of plants and vegetables; gives instructions in what to do for your garden each month in the year; shows in detail just how to lay out and plant your garden; tells you what crops you can put in so as to use the same ground for two or three crops in the season, and gives you much other information, all in convenient and compact form so that you can make constant use of it. This booklet is FREE SO LONG AS OUR SUPPLY LASTS, and we want you to

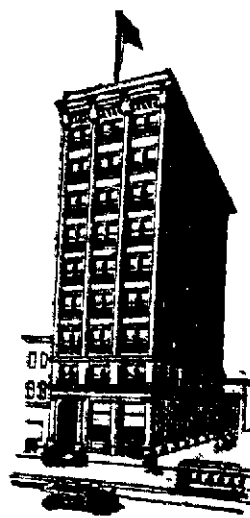

## Come or Write to the Bank for a Copy

at once, and get busy with your garden. This contest is open to everybody in Licking county without charge or obligation. Fill in the coupon and bring or send it to

## GREAT BILL ARRANGED FOR THE MAT ARTISTS

Mike Yokel, who met with the unfortunate accident at Atlantic City Monday night, when he threw "links" over the ropes, the latter sustaining injuries which caused the New Jersey authorities to hold him until the outcome could be determined, was released yesterday afternoon after physicians pronounced him out of danger. He wired immediately to this city that he would be present for the match with Paul Bowser at the Auditorium theatre and will probably arrive this afternoon.

Chris Ramer, champion 145 pound wrestler of Camp Sherman, also arrived in the city this afternoon to train for his match with Vance Wallace, state champion. Both Yokel and Ramer will work out this evening at the Bowser gym in North Fourth street and the public is invited to come to the training and watch these athletes in their training work.

Bowser stated today that he is fully aware of the fact that he has a serious proposition on hand tomorrow evening. He is training hard and expects that he can best Yokel, although it is known that the Salt Lake City mat force is showing better than ever before in his career.

Yokel is without doubt the coming middle-weight champion, but to gain that title he must first best Wallace, Ramer, and there are many who will back up their opinion that the man has not been beaten since he came to the world's acknowledged middle-weight champion, Paul Bowser, whose home is in Newark and who has done more for his athletes than any other man engaged in the same work.

A new preliminary was announced today, Ed Connelly and William Gallagher. This will be a close contest, while as both are acknowledged to be men. The program Thursday evening will be one of the best if not the best ever given in the city.

Seats are now on sale at the box office of the Auditorium theatre. Reservations are being made. Boosters and rooters from Camp Sherman will be present to cheer on Chris Ramer, matched with Vance Wallace.

**Chicago Poultry and Produce.**  
(Associated Press Telegram)  
Chicago, March 20.—Butter: lower. Creamery 35¢; 40¢.  
Eggs: lower: receipts 19,879 cases. Fats 32¢; 33¢; at mark, included 33¢; 34¢.  
Potatoes: receipts 24 cars; unchanged. Rooters: unchanged.

**Cleveland Poultry and Produce.**  
(Associated Press Telegram)  
Cleveland, March 20.—Butter: two cents lower. Creamery in tubs 38¢; 41¢; fancy dairy 33¢; 34¢.  
Potatoes: choice white 1.60; 1.70 per hundred pounds.

**Chicago Grain and Provisions.**  
(Associated Press Telegram)  
Chicago, March 20.—Corn: prices weakened today owing in considerable degree to a drastic embargo against the reloading of western cars with grain for shipment east. Opening prices which ranged from a shade to 1¢ lower, with March 1.27½ and May 1.28½, followed by moderate further declines.

**Toledo Grain.**

**LICKING.**  
Rev. A. K. McKall preached at this place Sunday morning and at Union station Sunday evening.  
Rev. and Mrs. Mellinger spent last Friday in Columbia.  
Mrs. Jennie Jones is visiting at the home of her daughter, Mrs. Laura Taylor, the past week.  
Mr. and Mrs. George Larimore and R. V. Sperry and family of Newark spent Sunday afternoon at the J. R. Black home.

Mr. Mays and family of Columbus moved on the C. A. Ruffner farm last week.  
Sherman Rees and family spent Sunday afternoon at church at the R. L. Black home.  
Representative for mission work will be at this place next Sunday morning. We hope for a full house and a mission.

The family of J. C. Ford, who have been grip victims, are all convalescing.  
Mrs. Laura Taylor, of Union station, who has been in Grant Hospital the past few weeks, is getting along nicely and expects to get home soon.  
Miss White and family spent a few hours Sunday afternoon at the home of her brother John White of near Lakeview.

On Thursday of April 4th, there will be an all-day meeting at this place. Bring your basket and have a good social time.  
Miss Ella Rusha of Lancaster and Mrs. Clara Husha of near Outville moved last Tuesday at the home of Mrs. Albert White.  
Rev. and Mrs. Mellinger called at the home of James Ford Sunday.  
Mr. and Mrs. Paul Koehendorfer have gone to housekeeping in their new home on the Newark road.  
Miss Mary Euffner and family and little daughter Ruth ate Sunday dinner with Mr. and Mrs. Paul Koehendorfer and Sunday with Newark friends.

## GRANVILLE

(Special to the Advocate.)

Granville, March 20.—The essential facts as to the big meeting for men following the arrest of the men of the day which was given last night instead of tonight. This mistake was caused by the unusual experience of the correspondents who had to wait a day in the week's schedule. The meeting will occur this (Wednesday) evening.

The regular meeting of the Granville township unit of the women's auxiliary of the Council of National Defense will be held in the A. F. W. and Red Cross headquarters. At this meeting, committees and their heads will be announced and if possible, reports will be made by such of these as have made more tentative organization of their respective territories. Every woman is urged to be present. The township has been in helping to win the war and who has helpful suggestions to make, is urged to be present. The township has been in helping to win the war and who has helpful suggestions to make, is urged to be present.

The A. F. W. continues to turn out its weekly supply of work, although spring cleaning and the daily meetings of the Red Cross have cut down the attendance somewhat, for the time. However, there are at least twenty-five members who allow nothing to prevent them from attending the meetings and they keep up the average of output by their steady conscientious work. The Red Cross called a meeting yesterday save that of the treasurer, Mrs. Ira Perry, who read the itemized statement of disbursements, which leaves a balance in hand of \$10.00.

Miss M. E. Penney of Newark was present all day at the meeting yesterday. The Granville unit of the Red Cross is thoroughly re-organized and is turning out a quota of hospital supplies for the war. The township has been in helping to win the war and who has helpful suggestions to make, is urged to be present. The township has been in helping to win the war and who has helpful suggestions to make, is urged to be present.

## \$50 REWARD

For evidence leading to the arrest and conviction of the parties who are killing and dressing sheep on the Stump farm in Hanover township. They have been taking the hind quarters and part of the fore quarters, leaving the hide and feet buried in a ditch nearby. One sheep was killed about three weeks ago and another about March 17. The parties suspected have been seen upon the place.

Z. H. McKnight,  
Hanover, Ohio.

Even when a fellow can't see his future ahead for him he can see his finish.

**RESOLUTION.**  
Be it resolved by the Council of the City of Newark, State of Ohio: That a sidewalk be constructed on the north and south sides of Channel street from Maple avenue to Priest street, of the character and in the manner following: In accordance with the plans and specifications therefor on file in the office of the Director of Public Service of the City of Newark, Ohio.

That the Clerk of Council be and he is hereby directed to cause a written notice of the passage of this resolution to be served as required by law. Passed March 18th, 1918.

## Demonstration All This Week

## Perhaps it isn't FAULTY PISTON-RINGS

that is causing your car to slow up in taking hills. Probably what it needs is Dixon's Graphite Automobile Lubricants.

About 25% of the power of your motor is lost in friction in spite of the best plain greases and oils.

Dixon's stop much of this loss, because the selected flake graphite contained in them gets at the cause of friction.

There's a Dixon's for every part of your car—engine, transmission, differential, wheels, steering-gear, springs.

# TAKE NUXATED IRON, SAYS DOCTOR, IF YOU WANT PLENTY OF "STAY THERE" STRENGTH LIKE AN ATHLETE!

Makes Delicate, Nervous, Stunned People Stronger in Ten Days' Time, in Many Cases.

MOST people foolishly seem to think they are going to get renewed health and strength from some stimulating medicine, secret nostrum or narcotic drug, said Dr. E. Sauer, a Boston Physician who has studied widely, both in this country and in great European Medical Institutions, when, as a fact, real and true strength can only come from the food you eat. But people often fail to get the strength out of their food because they haven't enough iron in their blood to enable it to change food into living matter. From their weakened, nervous condition they know something is wrong, but they can't tell what. If you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary nuxated iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous, run-down people, who were ailing all the while, most astonishingly increase their strength and endurance simply by taking iron in the proper form and this after they had in some cases been doctoring for months without obtaining any benefit. But don't take the old forms of reduced iron, iron acetate or tincture of iron simply to save a few cents. You must take iron in a form that can be easily absorbed and rectified like nuxated iron, if you want it to do you any good, otherwise it may prove worse than useless. Many an athlete or prize fighter has won the day simply because he knew the secret of great strength and endurance which comes from having plenty of iron in the blood. The manufacturer of many another has gone down to inglorious defeat simply for lack of iron. NOTE—Nuxated Iron which is prescribed and recommended above by Dr. E. Sauer, and other physicians, is not a secret remedy but one which is well

known to druggists everywhere. Unlike the older inorganic iron product it is easily assimilated, does not injure the teeth, make them black, nor upset the stomach. The manufacturer guarantees successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed by Wm. A. Griman, Evans' Cut-Rate Drug Store and all other druggists. —Advertisement.

## AMUSEMENTS

**GRAND.** Dorothy Dalton in "Ten of Diamonds," a Triangle play which will be shown at the Grand Theatre on Wednesday. Again she is the dance hall girl, joyous, reckless, yet with a sense of moral equity. One night while she is telling her fortune over the cards in a dim corner of the basement cafe, a man of the upper world enters. He makes her a peculiar proposition. During the course of the evening. As a result, she is transplanted from the field atmosphere of the "joint" to a luxurious home where she is carefully fashioned into a "lady." She misunderstands the man's purpose, believing he is in love with her. She then, after her wedding with another she rebels, and, using the animal way to frustrate his scheme, she reels before the wedding guests with a well-feigned semblance of drunkenness. Thus the false reputation which she has enjoyed is blown aside, and she is again the common woman. But to the man who has watched her regeneration, there appears the finer traits of her former veneer of culture, and he suddenly realizes his folly in trying to make her a he hates.

**AUDITORIUM.** In the Paramount-Benjamin Chapin feature series "The Son of Democracy," the series of ten two-reel dramas, each a complete story of America in the making, seen at the Auditorium every week, Newark fans have one of the biggest features ever given them. "The Son of Democracy" is built around the life of America's greatest man, Abraham Lincoln. The career of the nation's greatest leader is shown in a complete series of incidents, so full of humor, pathos and adventure. This is not the life of Lincoln. Not more than "The Birth of a Nation" is the life of Lincoln. The Martyred President was a dramatic figure in "The Birth of a Nation." So he is in "The Son of Democracy." It is not history, it is not "education." It is a "bully good picture," based on history, containing educational value. It still would be a great picture, a money-making picture if the world had never heard of Abraham Lincoln. "The Son of Democracy" began with a rousing good children's stuff, real stories, real humor and pathos and it passed to the "grown-ups" as well as the kids. It shows the real trials and tribulations of a real boy and every scholar in the city of Newark should see them each week at the Auditorium. In the coming stories, Lincoln is shown battling against mankind, the same as now are President Wilson's. The declaration of war, the inside-the-White-House story of the human drama in which brother fought brother, etc. On Friday and Saturday the third story, "My Father," is shown together with Marguerite Clark in "Bab's Matinee Idol."

**Marguerite Clark.** Clark, winsome Paramount star, in speaking of her latest production, "Bab's Matinee Idol" which is to be shown at the Auditorium on Friday and Saturday, recently said: "It is truly remarkable how closely Bab's escapades follow some of my own youthful boarding school experiences while at the Ursuline convent, Cincinnati, Ohio. I have been allowed as a special treat to witness a theatrical performance, immediately proceeds to fall violently in love with the handsome leading man. The I must confess exactly what happened to me at the age of fifteen when I was allowed to visit the theatre for the first time. My diary contains pages and pages of description of 'film' and imaginary interviews which are so screamingly funny and make such good reading that I was thinking very seriously of publishing them, had not Rinehart's Bab so nearly paralleled them." "The Son of Democracy" is also shown, "My Father" being the subject.

**Gladys Brockwell.** It has been said of Gladys Brockwell, the star of William Fox's brilliant film production, "The Moral Law," that she can tell more by her expression than any of her contemporaries on stage or screen. She can impart the most pronounced feeling of pleasure, sadness or anger by her countenance. Whole passages can be read by watching her face. Here is facial pantomime in its highest form—a development of the art of lip reading extended to all of her features.

In "The Moral Law," which comes to the Auditorium theatre on Sunday, Miss Brockwell uses her gift to a wonderful degree. She has cultivated this talent by studying and training.

**Auditorium Notes.** Ed. R. Moore is in the city arranging with Mgr. Fenberg for the return engagement of "Mutt and Jeff Divorced." Mr. Moore tells us that the musical numbers are new and much of the dialogue is changed. The engagement is set for Thursday, March 28th. This company is playing return dates in all the larger Ohio cities to capacity business and no doubt the same will result on the engagement here at the Auditorium.

In the cast of "One More American," in which George Beban is featured at the Auditorium today, is Connelo Ankewich, who will be remembered for her work in "The Prison Without Walls," "The Inner Shrine," "Jaguar's Claws," Helen Eddy, the delightful leading lady in most of Mr. Beban's former pictures; Raymond Hatten, Jack Holt, N. B. Carpenter, Ernest Joy, and others.

Gladys Brockwell, known in filmdom as "The Girl of a Thousand Expressions" comes to the Auditorium in the wonderful William Fox feature, "The Moral Law" by E. Lloyd Sheldon. This is said to be one of her best photographs.

"How he does it without killing himself is more than I can understand," remarked one of "Fatty's" fascinated fans when his "Out West" picture was shown here. Mgr. Fenberg says "Wait till he sees him in 'The Bull Boy' at this house Sunday. You'll laugh at every move in this, said to be the greatest of all Paramount comedies."

"The American Buds" is the title of the new photoplay that June and Katherine Lee will soon be seen at the Auditorium.

The Camp Sherman picture, "The Re-Making of a Nation," six reels of life at Ohio's famous soldier camp, in which our boys are seen from the first day of their landing in Chillicothe up to the present time, they are nearly ready to make the leap "Over the Top." It is to be screened here at the Auditorium for three days, commencing Monday, April 1st.

Charlie Chaplin's new picture under the new banner, "First National Exhibitors' Circuit" is soon to be released and is called "A Dog's Life." This feature and all other pictures made by him at his new studio in California will be shown at the Auditorium.

Norma Talmadge in "Ghosts of Yesterday," another Select Picture Corp. Feature. Comes to the Auditorium next week. Eva Tanguay, also a select feature will be seen in "The Wild Girl" on Wednesday.

The Hearst-Pathe News seen next Saturday, is said to be of most interesting value, the war section containing the most up-to-date news. The film newspaper is a most worthy feature and thousands see it each week at this cozy playhouse.

The Auditorium orchestra, six in number, under the direction of Frank Reynolds is playing the Overture to Zampa and receiving many nice compliments on the way it is handled. For real music "Frank's" bunch cannot be beaten. "Zampa" will be played as an added feature to "One More American," the Beban picture at this house this evening.

**ALHAMBRA.** Tonight and Tomorrow, Charming Ethel Clayton, the popular star of World-Pictures Theatre, will be seen tonight and tomorrow at the Alhambra theatre, in "Whims of Society," her latest picture. "Whims of Society" tells the story of a young factory girl who is pretty

and intelligent, and who works hard and struggles courageously against poverty and the wickedness of the world, so that she may keep her young sister in school and provide for her future. Ethel Clayton plays the role of a girl, Nora Carey, and she invests the character with a memorable wisdom and winsomeness.

The play takes its name from the fact that the doings of an Uplift Society figure very largely in the story and in fact, are really responsible for Nora's final happiness, through surprising circumstances. The whims of the society leaders seen in this picture are of the sort that many factory workers are familiar with—the attempt to regulate the expenditures, the lives and the pleasures of the workers by women who know nothing of real privation.

**Sunday.** Who ever heard of a girl refusing a chance to "star" in the movies? You don't hear of it often, that's a certainty. Yet one girl has been found who declined the offer, and many times too, before she accepted the chance. She finally assumed you see.

Miss Marion Davies is the young woman who "didn't" want to go into the movies. She's a beauty, too. She is pretty well known already as a clever actress; in fact, it was because she liked the "legitimate" so well that she failed to log kindly upon performing for the screen.

Even now she wouldn't be making the change were it not that she will appear in a story of her own, "Run Away Romany" is its name and it is to be the feature at the Alhambra theatre Sunday, produced by the Ardley Art Film Corporation and released by Pathe.

**THORNVILLE.** John Snelling of Glenford was here Friday.

Charles Zartman of Glatiot was here on business Tuesday.

Luther Lynn was a Newark visitor Tuesday.

Frank Padgett, Mrs. Stiner and Mrs. Brown were Newark shoppers Monday.

Mary Caughenbaugh of Glenford was visiting relatives here Monday.

Mr. and Mrs. Ben Fisher are visiting their son, Paul and wife at Akron the past week.

Harry Runkle of Toboso was a business visitor here Wednesday.

Dr. Farquhar and son Ben were in Newark Wednesday.

Rev. George Pfenger of Pleasantville was a caller here Thursday.

Mr. and Mrs. Luke Ridenour of Glenford moved to the C. B. Martin farm here.

Mr. and Mrs. Berry and son of Newark were guests of Mrs. Shaner, Sunday.

Harry Baley of Newark was here the last of the week looking after the furnace business.

John T. Nell of Bucyrus visited relatives here Sunday.

Jack Edmund Cleveland was the guest of his mother the first of the week.

**MILLERSPORT.** John Busen has been quite ill with pneumonia, poisoning from eating canned food. He is at the home of his brother, H. R. Busen, under the care of Dr. F. P. Atkinson.

Alonso Linn has sold his property, formerly owned by Mr. Huffman, to Charles Lewis.

A Red Cross society was organized Thursday at this place.

Mrs. Margaret Grimes and sister, Clara McCall, were in Columbus last Wednesday, to visit their mother, who is in the hospital.

George Delget was an out of town visitor Monday.

Is there any logic in buying something claimed to be as good as the ORIGINAL Dandruff Germ Destroyer? Insist upon HERPICIDE

Applications at the better barber shops Guaranteed by The Herpicide Co. Sold Everywhere

**TREX! IF RHEUMATIC OR CONSTIPATED**

Twenty-five Cents Worth is Plenty: Try It! Take Harmless, Soothing Trex for Just a Few Days.

Then no more intense rheumatic pains; good-bye chronic, miserable constipation; no more sore, aching back. Trex is wonderful! Acts right off. Then no more intense rheumatic pains; good-bye chronic, miserable constipation; no more sore, aching back. Trex induces natural drainage of the entire system; promptly opens your clogged up liver and bowels; cleans the stomach of fermenting, gassy, foods and waste, eliminates irritating rheumatic poisons; relieves feverishness, headaches, dizziness and bilious misery. Don't stay "knocked out" any longer. Get this quick relief today. 25c at Frank D. Hall or direct from H. B. Denton & Co., (Not Inc.), Beardstown, Illinois. —Advertisement—

**AN EASY WAY TO BANISH PIMPLES**

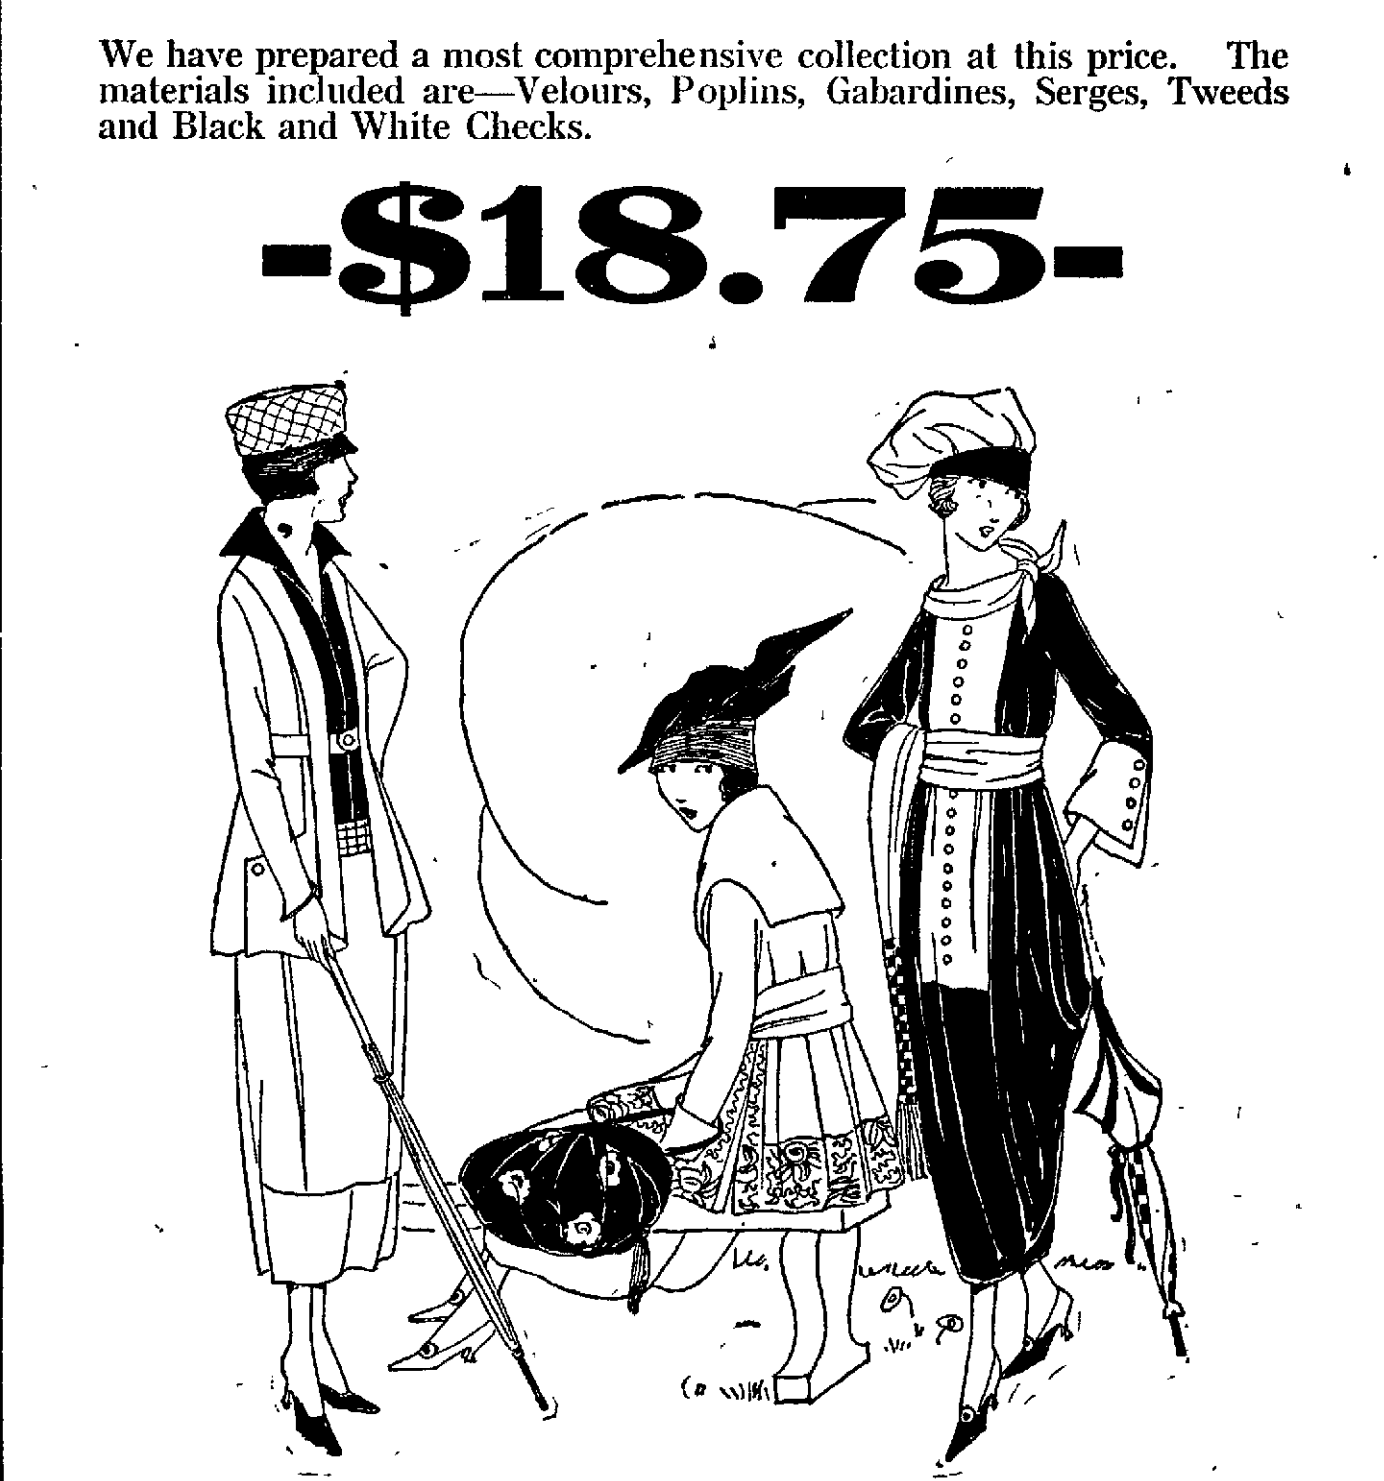

If you are troubled with pimples, blackheads, acne, barber's itch, blotches, freckles or other skin disease or blemishes, now is the time to get rid of it with Hokara.

This pure and simple skin healer is being introduced in Newark by T. J. Evans at the low price of 35c for a liberal sized jar, and they have sold hundreds of treatments.

It contains no grease or acids, is cleanly to use and is a true nourishment for the skin, cleaning and clearing it in every pore, making it soft, white and beautiful.

If Hokara does not do even more than is claimed for it and give perfect satisfaction, return the empty jar to T. J. Evans' Drug Store and they will refund your money. If you have any skin trouble, you cannot spend 35c to better advantage than for a jar of this skin food. —Advertisement—

**TO RELIEVE CATARRHAL DEAFNESS AND HEAD NOISES**

If you have Catarrhal Deafness or head noises go to your druggist and get 1 ounce of Earma (a little strength), and add to it ¼ pint of hot water and just a little sugar, as directed in each package. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, cost little and is pleasant to take. Any one who has Catarrhal Deafness or head noises should give this prescription a trial. T. J. Evans. —Advertisement—

## HOW HULL'S SUPERLATIVE MAKES RICH RED BLOOD AND BUILDS VITALITY

**Professor Cloyd M. Reeg, Noted Analytical Chemist Proves Health-Value of the Famous Hull's Superlative is Based On Facts**

Friends of Hull's Superlative in Newark will be interested to know that the sale of this preparation is growing bigger every day. People who have tried it are so greatly benefited that they tell their friends who are sick or ailing and get them to try it.

Professor Cloyd M. Reeg, the noted analytical chemist, connected with the Findlay College, states that Hull's Superlative is not a drug poison, but is composed of seven roots, barks and one berry, and it is this highly concentrated extract that holds in liquid suspension the invaluable salts and minerals so important to the human body and even to life itself.

"Because of these facts," says Professor Reeg, "Hull's Superlative occupies a unique position in its relation to the health of mankind. It is not a medicine but rather a blood and tissue food and vitality-builder of undoubted worth, and its use will do much to promote health and strength that makes for efficiency."

It is nature's great helper in time

## SYRACUSE WOMAN CRIPPLED WITH RHEUMATISM FOR FIVE YEARS

**Fingers Badly Deformed—Had to Almost Crawl About—Gives Credit to Var-ne-sis for Recovery**

"I first began to be troubled with rheumatism about five years ago," said Mrs. Clark M. Gray of 833 Ackerman street, Syracuse, N. Y.

"I paid very little attention to the soreness and stiffness which started in my hands and traveled from joint to joint. Gradually the disease got so that I could hardly close my fingers and they became terribly deformed and felt numb. I seemed to have lost the power to use them."

"The disease then attacked my

feet and made walking very difficult. I could not bear the rough stockings and had to pad my feet with cotton. My knees also became very stiff and I was compelled to crawl about as best I could. I wanted to keep moving about as the longer I remained quiet the harder it was for me to get about."

"For months I was helpless and had to be assisted almost constantly, being lifted from the bed to the chair the pain and stiffness was nerve exhausting and I lost weight rapidly. Unable to sleep and almost impossible to find a position that was at all comfortable."

"Reading so much about Var-ne-sis and what it had accomplished for others I decided to try it. I must admit I saw some improvement after I had taken four or five bottles and by continuing the treatment for almost a year I continued to gain from month to month until I was able to do my own house work."

"I am now free from rheumatism and give all the credit to Var-ne-sis. It's really wonderful what this medicine has accomplished in my case."

Var-ne-sis does not contain salicylate of soda, iodides, pepper, capsicum or the usual anti-rheumatic drugs so often given for this disease. Var-ne-sis tends to help the stomach and cannot harm the heart."

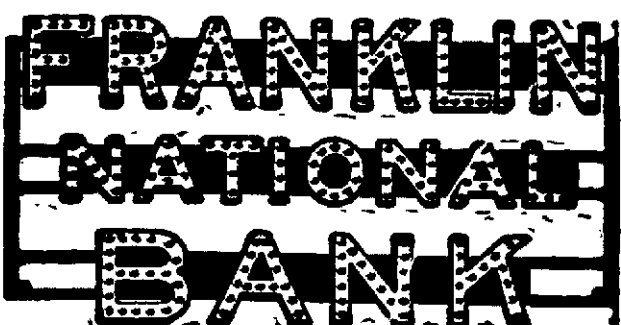

Send to W. A. Varney, Lynn, Mass., for the newspaper devoted to rheumatism and "Rust of Human Hinges." It's Free.

Get Var-ne-sis now, today, from W. A. Varney, Lynn, Mass., or at R. W. Smith, druggist.—Advertisement.

## COUNTY SCHOOLS' FINE RECORD IN THE WAR SAVINGS CAMPAIGN

The county system of schools has sped up in the war savings and thrift campaign and enthusiasm is running high.

The schools and pupils of Licking county system of schools have made marked progress in the purchase of War Savings and Thrift Stamps as shown by the compiled report of County Superintendent Wilson and his assistant superintendents for the last three weeks. The gain for the three weeks ending March 18th amounts to \$10662.45 or \$3554.15 per week. Total purchases of the 6600 pupils of the county schools as reported by teachers and superintendents at the county teachers' institute Saturday amounted to \$20,117.25. This is a little more than half of their \$40,000 quota. Nearly all of the 286 schools of the county are keenly interested in the cultivation of thrift among their pupils as may be observed from the report.

The largest gains among the townships were made by Newton \$815; Harrison \$820; Bennington \$710; St. Albans \$662; Bowling Green \$598; Fallsbury \$498; Madison \$508; Liberty \$442; and Union \$318.

Among the townships showing the strongest totals are: St. Albans, \$1,042; Burlington, \$1,008; Harrison, \$820; Bowling Green, \$916; Bennington, \$740; Liberty, \$674; Madison, \$597; Newark, \$597; and Fallsbury, \$503.

Croton made the largest gain among the towns for the three weeks, being \$609. Hebron was a close second with \$563.

In total amounts purchased Utica leads all the towns with \$2944 to her credit followed by Hebron with \$1663 purchased.

Pupils, teachers and superintendents are to be congratulated on the attainment of these results.

Some rural schools should have individual mention: Pleasantville school in Liberty township \$400, being \$18.18 per pupil. College Hill school in Bennington township \$210, \$20.67 per pupil. Liberty township with \$674.75 is now "over the top." Also these schools have distinguished themselves: Jersey Special and Appleton, School Land school in Hartford township has purchased \$220.75 which is a splendid record.

War Savings and Thrift stamp purchases by the Licking county system of public schools from February 23rd to March 18th as reported at the County Teachers' Institute and compiled by County Superintendent Wilson and his assistant superintendents are shown below:

The next report will be made at the end of March. What change in positions will it bring? Can we maintain our pace?

N. D. O. WILSON,  
County Superintendent.

## EXCELLENT PROGRAM WAS RENDERED AT S. S. CONVENTION

The township Sunday school convention of Hanover township was held at the Methodist church, Hanover, on Sunday. The following program was rendered at the afternoon session.

Song—"Holy, Holy, Holy."  
Devotional led by Rev. H. T. Bay of Hanover.

Song—"True Hearted, Whole Hearted."

Reports from the different schools were called for, there being four of the six schools responding.

Mr. J. W. Shannon, vice president of the county association, then gave a few very fitting remarks which I followed by an excellent address by the Rev. Mr. Kellogg, pastor of the West Side Church of Christ of Newark. Mr. Kellogg gave many helpful suggestions to all Bible school workers, touching on the influence of the home, the public school and the Bible school on the lives of our boys and girls.

After the song, "Battle Hymn of the Republic," the benediction was pronounced by Rev. Kellogg.

The evening session was held at 7 o'clock and Rev. Mr. Lingley, pastor of the Methodist church of Hanover, having charge and giving the principal address of the evening.

The following township officers were elected:

President—Mr. J. D. Long.  
Vice president—Mrs. J. H. Millikan.

Secretary and treasurer—Mr. J. R. Williams.

Secondary superintendent—Darwin Haynes.

Elementary superintendent—Miss Emily Weaver.

Home department superintendent—Miss Mary Wilhelm.

Teacher training superintendent—Miss Edith Ide.

Adult organized Bible class superintendent—Mr. W. T. Rector.

Temperance missions superintendent—Mrs. Frank Myers.

The convention in Newton township will be held on Sunday, March 24, at the Methodist church, in St. Louisville. There will be no evening session.

DISPONDENT WOMEN.  
Nature intends every woman to be cheerful, light-hearted and happy, but when dragged down with pain and suffering from female ills, will power alone cannot overcome a nervous, despondent condition. Multitudes of American women, however, have found that there is one tried and true remedy to restore health under such circumstances, and that is Lydia E. Pinkham's Vegetable Compound, made from herbs and roots. This old-fashioned medicine is now considered the standard American remedy for such conditions.

## OLD MAN GIVES HIS FORMULA FOR HEALTH

Vigorous and Strong at 61 He Attributes It to Taking Acid Iron Mineral.

TELLS STORY HIS OWN WAY

"For eight years I was in the sheriff's office here in Princeton, W. Va., and sitting about with no exercise, my system very much run-down and I felt half dead, drowsy and badly all the time. My appetite had dropped off and I didn't relish even the good old favorite dishes when set before me. In fact, I was just miserable that was all and badly out of shape. I tried a number of remedies with no results, until one day I noticed the ad. on John Warnall's store-door—and, although at that time I'd never heard of 'A-I-M,' the idea of the natural iron in it made me take a chance, for I had understood iron would help a person if run-down like I was."

"I dropped in and said: 'John, wrap up a bottle of that Acid Iron Mineral,' and it's one of the wise things I've done in my life. Mr. Warnall told me of neighbors around town who were praising it very highly, and I'm joining the army of boosters now at the age of 61."

"I'm a volunteer booster, for before I had used half a bottle I felt results and started eating more, picked up strength and enjoyed eating like I hadn't done for a long time."

"This is the hardest winter I've seen for many years yet by taking Acid Iron Mineral I've kept going, and even on the coldest days when the weather was bitter outside I've walked every morning two miles and fed every day 110 head of cattle. Two mornings I didn't go out because of a cold I had, but a few extra doses of Acid Iron Mineral knocked that cold out of me and I'm proud to say I'm as hale and hearty as I could possibly wish to be, and I attribute my present good health and vigor entirely to taking Acid Iron Mineral. I'm writing to let others know of this great way of taking iron into the blood," writes H. C. Thorn, 316 Thorn St., Princeton, W. Va.

If the reader could see this vigorous, hale and hearty old gentleman and hear him tell how Acid Iron Mineral keeps his blood clear and strength up you would get a bottle of this remarkable and powerful iron tonic.

The Queer Sex.  
Wife, I'm afraid I can't afford new clothes for you this spring. Well, then, Dick, I must move. I don't mind wearing my old clothes in a new neighborhood, but I won't stay here and wear them.—Boston Transcript.

**Woodside Prayer Meeting.**  
Woodside prayer meeting will be  
held at Mrs. Thompson's on Tenth  
street, between Selby and Ash, at 9  
o'clock Thursday morning.

**Receives Promotion.**  
John H. Adrian, well known in this  
city, has been promoted to the posi-  
tion of train master for the Pennsylv-  
ania railroad at Steubenville. He  
was formerly in the Pennsylvania of-  
fice at Pittsburgh.

**Police Court.**  
Two out of town residents com-  
prised the sum total of police court  
this morning. Pat Kenney of Cincin-  
nati was fined \$5 and costs for  
drunkenness, and John McVicker of  
New York drew a like sum.

**Returns to Duty.**  
Robert Kuster, after spending a  
ten days furlough with his parents in  
Commodore street, left this morning  
for the naval training station, Great  
Lakes, Ill.

**Jelly For Hospital.**  
In response to a recent appeal, He-  
tuck Chapter of the Daughters of the  
American Revolution was able to  
send to the Camp Sherman hospital

yesterday 110 pounds of jelly. The  
chapter especially wishes to thank  
the children of the East Main street  
school for their aid in the work.

**Aid Society.**  
The Aid Society of St. Paul's Lu-  
thoran church will meet at the home  
of Mrs. J. W. Brown in 365 East  
Main street on Thursday to sew for  
the Red Cross.

**Birth Announcement.**  
Announcement is made by Mr. and  
Mrs. Charles N. Moore of 328 West  
Church street of the birth of a daugh-  
ter, Monday, March 18.

**Mass Meeting.**  
There will be a mass meeting of  
the Young People's City Union on  
Sunday afternoon at 5 o'clock. Miss  
Florence Harter will lead the meet-  
ing.

**Birth Announcement.**  
Born to Lieut. and Mrs. John R.  
Edwards, a seven pound daughter.  
Mrs. Edwards was formerly Miss  
Helen Herndon.

**Pupils Visit Industries.**  
Quincy A. Cheadle, principal of the  
Hanover schools is in town today  
with a number of his pupils visiting  
some of Newark's manufacturing in-  
dustries.

**Card Party.**  
Pocahontas Council will have a  
card party at the Red Men hall on  
Thursday evening.

**Home on Furlough.**  
Vincent Roll who is located at  
Camp Sheridan, is spending a seven  
day furlough at his home here.

**Off for a Few Days.**  
Corporal Ralph Keller of the  
331st Infantry at Camp Sherman is  
spending a few days at his home  
here.

**Recovering from Pneumonia.**  
Wilson Henry, son of George H.  
Henry, 26 Riley street, is slightly  
improved today. He has been seri-  
ously ill, suffering from pneumonia.

**Announce Birth.**  
Mr. and Mrs. John N. Chester,  
Summer street, announce the birth  
of a 10-pound daughter, Gwendolyn  
Marie, Friday, March 15.

**Grocery Opened.**  
The Five-Point grocery was open-  
ed this morning by the new owners  
—J. M. English and D. L. Watkins.  
These men are experienced grocers,  
having conducted a store in Dela-  
ware, O., for many years.

**Departments Called.**  
An alarm from Box 3, called all  
the departments, excepting the North  
End, to the Jewett Car works at 1:30  
o'clock this afternoon. A small blaze  
in one of the departments had ignit-  
ed but was easily extinguished with  
chemicals without any loss.

**Underwent Operation.**  
Mrs. Burr Dorn of Bolen avenue,  
was operated on for throat trouble  
at the City hospital this morning by  
Drs. Hatch and Rank.

**False Alarm.**  
Just as the departments were re-  
turning from the Jewett company  
alarm from box 31 called them to  
Third and Wyoming street, but no  
blaze of any kind could be located.

**Service Medal Fund.**  
The Advocate acknowledges receipt  
of one dollar contributions to the  
soldiers-sailors service medal fund  
from Mrs. E. S. Miller, 132 Hudson  
avenue and Mrs. W. O. Langstaff of  
Toboso. Through contributions from  
at least 1500 people service medals  
have been presented to almost 850  
Licking county boys who are now in  
service and it is hoped that the pub-  
lic will see that medals are provided  
for those who are still to be called.  
The medal fund needs replenishing.

**EAST MAIN STREET  
MAY BE REPAVED  
DURING SUMMER**

J. H. Sundmaker, chief engineer  
for the Ohio Electric Railway, was  
in the city yesterday and informed  
City Engineer Charles Wells that  
his company may be able to secure  
rights for the relaying of the East  
Main street tracks. The firm from  
which these rails are ordered have  
large war orders and for a while it  
was thought that the work could not  
be done until a later date.

If the railway company is able to  
lay their track this spring it will per-  
mit the city to repave East Main  
street from the Baltimore & Ohio  
tracks to Cedar street. Many be-  
lieve that the city will resurface  
Main street, from the West Main  
street bridge to the Baltimore &  
Ohio tracks, which cross East Main  
street, but this work will not be done  
because the city cannot issue bonds.

**EIGHTY MEN ARE  
CALLED BY BOARD  
FOR EXAMINATION**

The local draft board has issued  
notice to eighty men to appear for  
physical examination next Tuesday  
morning beginning at 8 o'clock. The  
examinations will be made on the  
third floor of the Memorial building.  
These men are all in class one and  
are those who have had industrial  
appeals with the district boards or  
for some other reason were not ex-  
amined in their order.

**Activities of  
Hustling Grange  
at Kirkersville**

Old Kirk Grange is experiencing  
one of the greatest revivals known  
to lodge history. It has not been a  
year since they met in a rented hall  
that was icy cold in one end and  
baking hot in the other. The rent  
was not high, but they were hustled  
at times for finances. The crisis  
was passed when the school changed  
to their roomier quarters, and the  
building they left made of substan-  
tial brick was placed under the auc-  
tioneer's hammer. A number of the  
grange wives busied themselves and  
bid the place in. It could not have  
been more favorably located than on  
the National pike at the junction  
of Baltimore highway. The interior  
of the lodge has been completely re-  
modeled to the last convenience of  
an up-to-date grange. Permanent  
folding tables have been fitted to the  
banquet hall below. Nothing is  
lacking in the spacious kitchen from  
plenty of room to the last little  
utensil used to place the finishing  
touches to the daintiest banquet.

Tuesday night, March 19, a class  
of 22 completed their degree work  
that made them full-fledged mem-  
bers. It is not making too broad an  
assertion to say that before this com-  
ing winter the membership will have  
passed the 300-mark. There has al-  
ready more than \$5000 passed  
through the treasurer's hands since  
the beginning of the grange boom

of a year ago. Just a few weeks  
back a masquerade box social netted  
the society a neat little sum of \$75.  
The thirtieth day of March the lodge  
will stage a huge fish-fry that is to  
be the biggest attempt toward com-  
munity entertainment ever attempt-  
ed in the history of any organization  
in their locality. Besides the meat-  
less supply of the fishy tribe  
there have been definite arrange-  
ments with musical and oratorical  
talent from their county seat to give  
the people a real treat in the form  
of a patriotic demonstration of no  
mean proportions. The Newark Ma-  
sonic quartet will be a part of the  
program.

**MASONS DEDICATE  
A SERVICE FLAG**

The Masons of the city held a pa-  
triotic meeting last evening at the  
Masonic home. The event was in  
honor of their boys who were serv-  
ing in the army and navy of our  
country. The opening prayer was  
given by Rev. Paul E. Kemper, fol-  
lowing which a large service flag was  
dedicated. The dedication speech  
was made by Prof. H. F. Meninger  
who told of the condition of this na-  
tion since 1863 and how those condi-  
tions were being altered today.

The music was furnished by the  
Masonic chorus and orchestra. D. C.  
Cridler, a member of the chorus, ren-  
dered a very pleasing solo, "One  
Fleeting Hour," following which  
Charles L. Flory spoke of the service  
flag in behalf of the Masons. The  
benediction was pronounced by Rev.  
R. E. Carman.

## NEW GARDEN AREAS SHOULD BE CLEANED THOROUGHLY OF TRASH

\*\*\*\*\*  
+ **LAST YEAR'S RECORD**  
+ **MUST BE PASSED**  
+ **THIS YEAR.**  
+ \*\*\*\*\*

This (1917) home gar-  
dening campaign was  
stimulated. It is estimated,  
the planting of from 200 to  
300 per cent more gardens  
than had ever before pro-  
duced food in the United  
States.—From Annual Report  
of the United States Secre-  
tary of Agriculture.

\*\*\*\*\*  
+ **Time Is Important.**  
+ It is an excellent plan to make an  
+ application of air-slaked lime or  
+ ground limestone to the freshly-  
+ plowed soil in order that it may  
+ have time to correct acidity before  
+ planting time arrives. The manure  
+ should not be applied with the lime,  
+ as loss of nitrogen will occur under  
+ these circumstances. The lime  
+ should be applied and become mixed  
+ with the soil before the manure is  
+ applied. The manure should be of  
+ a good grade, stable manure either  
+ from horses or cattle, preferable.  
+ Manure that has straw bedding ma-  
+ terial mixed with it is best, and  
+ should be applied at the rate of 25  
+ or 30 tons per acre or from 300 to  
+ 400 pounds per square rod.

It is an excellent plan to prepare  
the soil for planting as needed  
rather than to fit the whole garden  
at once. If the work of fitting the  
ground is done with a team it will  
not always be feasible to follow this  
plan. Ground that has not been  
used for gardening purposes should,  
in every case where it is possible,  
be put in condition with a team,  
as the ground should be cut up with a  
disc or cutaway harrow, thoroughly

Good drainage is essential to a  
successful garden. If the land is  
not well drained, this should be cor-  
rected as the first step in making  
the garden. The drains may be

These "Before-and-After" Pictures Show What Can Be Accomplished In  
Converting a Trash Heap Into a Useful and Eye-Pleasing Garden.

used or the land may be bedded by  
plowing it in long, narrow lanes,  
leaving the middle furrows as drain-  
age ditches. In the case of gar-  
dens spaded and worked by hand the  
same results may be had by bedding  
up the soil. Vegetables will not  
thrive in poorly drained soil no mat-  
ter how much care is given them.

**Break Soil Early.**  
Plowing or spading should be  
done at the earliest possible mo-  
ment, in order that in sections of  
the country where freezing occurs  
the soil may be subjected to freez-  
ing so that it will be broken up by  
the action of the frost and be mel-  
low and friable when planting be-  
gins. Nothing aids in the prepara-  
tion of soil, and especially stiff soils,  
like freezing and thawing. It is es-  
pecially important that ground in  
sod be plowed in time so it will  
freeze after plowing and the grub  
worms and other hibernating in-  
sects and worms may be destroyed.

Where severe freezing is sure to  
occur after the plowing is done little  
harm will be done by plowing the  
ground while wet. Otherwise the  
ground should not be plowed until  
fairly dry, or clods will result.

The ground after plowing should  
be allowed to remain rough until  
needed.

Well-sifted coal ashes, unlike  
wood ashes, have no fertilizing  
value, but are useful in lightening  
soil. Lime will lighten soil and at  
the same time correct acidity.

# DODGE BROTHERS CLOSED CAR

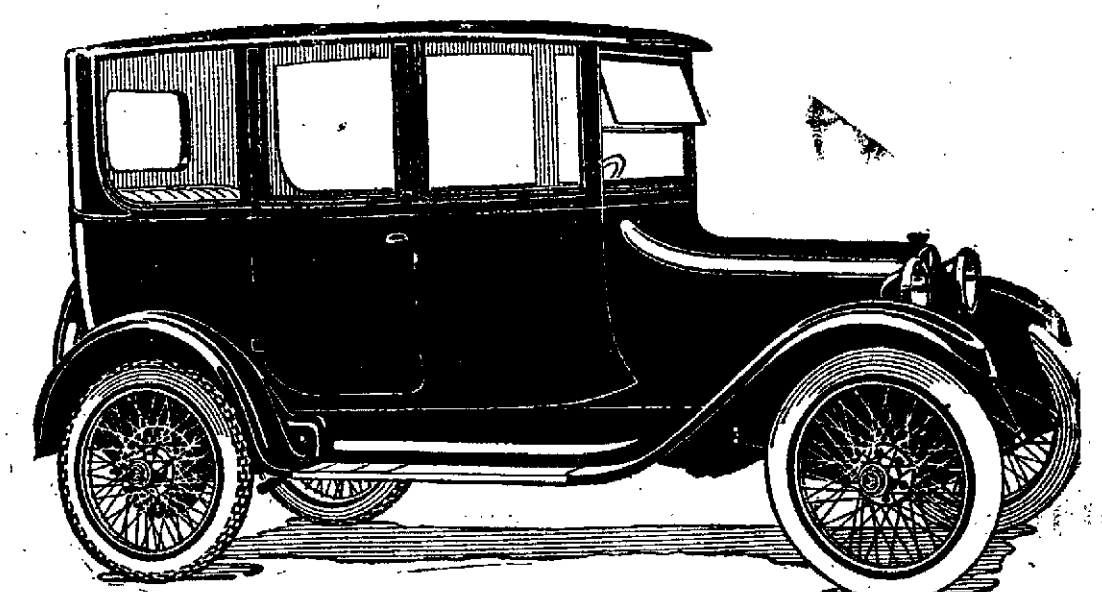

Dodge Brothers' reputation might  
well rest on this convertible sedan

It deserves its great popularity  
because it gives great value.

It will pay you to visit us and examine this car.

The gasoline consumption is unusually low.  
The tire mileage is unusually high.

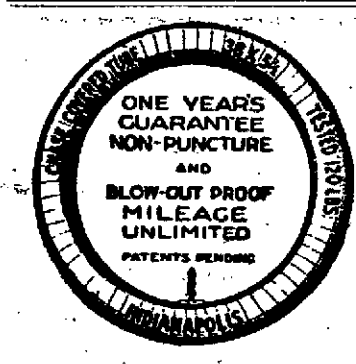

Sedan or Coupe, \$1350; Winter Touring Car or Roadster, \$1050  
Touring Car, Roadster or Commercial Car, \$885  
(All prices f. o. b. Detroit)

**A. P. HESS AUTOMOBILE CO.**

106-108 E. Main St.

Auto Phone 1849.

## If You Find a Location

In a county seat we will open a Chase Tire Service  
Station at once; equip it with a Tire Vulcanizing Plant, an  
Auto Delivery Car and stock it with Tires and Tubes and  
pay you \$100 a month and 10 per cent of sales; give you  
possession of Equipment and Tires in Station to hold and  
secure you against loss of the \$1,000 that we require you  
to deposit, securing us that you will account for all money  
received at Station. (Bonds not accepted.) We will  
employ three men. One salesman and two tire repairmen.  
We pay rent, salaries and expenses. You are liable for  
nothing. We do not sell Tires. We sell mileage and issue  
this Membership Certificate:

C. G. CHASE, 201 CAPITOL AVENUE, INDIANAPOLIS, IND.

Mr. Forry at Brownsville.  
Mr. Charles C. Forry, former may-  
or of Newark, who has been located  
at Alice, Texas, is now in Brown-  
sville, Texas, associated with Judge  
James B. Wells, the leading lawyer  
and prominent Democratic politician  
of that section of Texas.

## DO YOU WORK INDOORS

Then you need a winter tonic to  
keep up your blood-strength and  
nerve-force. For nearly fifty years  
physicians have prescribed

**SCOTT'S  
EMULSION**

because it is a true food and an  
active tonic, easily digested and  
free from alcohol. If you are run-  
down, if night finds you tired and  
sleep is not refreshing, by all  
means get Scott's Emulsion  
today. You need it.

Scott & Bowne, Bloomfield, N. J. 17-51

## A CLEAR COMPLEXION.

Ruddy Cheeks—Sparkling Eyes  
—Most Women Can Have  
Says Dr. Edwards, a Well-Known  
Ohio Physician

Dr. F. M. Edwards for 17 years treated  
scores of women for liver and bowel  
ailments. During these years he gave to  
his patients a prescription made of a few  
well-known vegetable ingredients mixed  
with olive oil, naming them Dr. Edwards'  
Olive Tablets. You will know them by  
their olive color.

These tablets are wonder-workers on the  
liver and bowels, which cause a normal  
action, carrying off the waste and poison-  
ous matter in one's system.  
If you have a pale face, sallow look, dull  
eyes, pimples, coated tongue, headaches, a  
listless, no-good feeling, all out of sorts,  
inactive bowels, you take one of Dr.  
Edwards' Olive Tablets nightly for a time  
and note the pleasing results.

Thousands of women as well as men  
take Dr. Edwards' Olive Tablets—the suc-  
cessful substitute for calomel—now and  
then just to keep in the pink of condition.  
10c and 25c per box. All druggists.

## INTERURBAN CAR COLLIDES WITH TEN FORD CARS

A serious accident which might have resulted in the loss of life occurred at Kirskevill, O., last evening when the west bound limited interurban car leaving this city at 5:50 o'clock, plowed through ten Ford cars which had become stalled on the track.

The cars were driven through from Columbus to Washington, D. C., and were in charge of F. E. McCalip of the Capital City. Others from the same place accompanying him were Leroy F. Betteridge, J. C. Smith, R. E. Esther, Jas. H. Burke, Earl Riley, Clarence Hall, Eddie Chapman and two colored chauffeurs. They left Columbus about 5 o'clock and expected to drive the greater part of the night.

The story of the accident as told an Advocate representative by Mr. McCalip was that he was in the lead and when Kirskevill was reached he pulled up on the track as the dirt road was almost impassable for machines. After going through a greater part of the village he endeavored to leave the track but found it impossible and started to back his machine when the headlights of an approaching car came into view. One of the chauffeurs jumped and ran up the track waving for the car to stop. The chauffeurs all remained in the machines believing the car would come to a standstill, but instead it plowed into the Fords, hitting the first one and turning it over with the driver still in the seat.

The interurban went on through the other cars, three of the drivers jumping when they heard the impact when the first machine was hit. One of them, Eddie Chapman, was badly injured receiving a gash in the head and numerous cuts. He was placed aboard the interurban and taken to a hospital at Columbus. Another driver, Jas. Burke, was also bruised and cut. The other men were quite badly shaken up. Mr. McCalip, in the first car, crawled out from under the wreck and never received a scratch. All the men came to this city.

Four of the cars were demolished and left along the track and the others were taken to the Kirskevill garage. Members of the interurban crew stated that they did not see the signal to stop until they were nearly on the cars and then it was too late. They estimated that the heavy interurban was probably going at the rate of eight or ten miles an hour when the collision occurred.

## APRIL 6 TO BE OBSERVED

### AS "LIBERTY DAY"

(ASSOCIATED PRESS TELEGRAM)

Columbus, March 20.—Governor Cox today issued a proclamation urging every community in the state to observe Saturday, April 6, the date of the first anniversary of the United States' entrance into the war against Germany, as Liberty Day.

In his proclamation, the governor asks all schools, churches, civil organizations and patriotic societies in Ohio to "co-operate in bringing home anew the sacrifice we must make."

"We must realize the war is yet to be won," the statement continues, "and to win it all things else must be relegated to the background."

The governor requested that every building, both public and private, display flags and that individuals make special effort on that date to buy and promote the sale of war savings stamps and Liberty loan bonds. The day may also recognize the opening of the third Liberty loan campaign.

The proclamation follows: "One year will have elapsed on April 6th since the entrance of the United States into the war against Germany. The anniversary will be recognized throughout the United States as the beginning of the third Liberty Loan campaign."

"We have been mustering our strength; we have been taking stock of our ability to serve; we have offered ourselves and all we possess to the cause of freedom."

"Let us on this anniversary consecrate anew our thought and purpose in behalf of democracy for all the world. Let those of us who cannot go to the front at least show in every possible way our support for those who do; let us reaffirm our allegiance to our country and to the cause in which our country has enlisted."

"Let us also at this time take occasion to pay tribute to the womanhood of the United States by recognition of the services rendered by them in the upbuilding of patriotic thought and the constructive aid given in every line of endeavor."

"It is fitting that the anniversary of our entrance into the struggle against autocracy be commemorated in proper manner."

"I therefore, as governor of Ohio, respectfully urge that Saturday, April 6th, 1918, be observed as Liberty Day, and that proper patriotic programs be arranged in every community of the state. We must realize that the war is yet to be won and that to win it all things else must be relegated to the background."

"Let me respectfully ask schools, churches, civic organizations and patriotic societies to co-operate in bringing home anew the sacrifices we must make. It is requested also that flags be displayed from every building, public and private, in the confines of the state and that individuals become one in the activity for the sale of war savings stamps and Liberty Loan bonds with which the government is endeavoring to finance the war."

(Signed) "James M. Cox"

#### A Surprise Party.

Where are you going, mamma? To a surprise party, dear. Can't I go, too, and Archie and Edna?

No, dear, you weren't invited. Well, don't you think they'd be lots more surprised if you took us all? —Buffalo Commercial.

## WAR SAVINGS STAMPS

New members of the "Licking County One Thousand Dollar War Savings Society" are Hon. William A. Ashbrook, Dr. Clark B. Hatch, The Edward H. Everett Company, Mr. F. J. Birchard, 307 Trust building. Postmasters, bankers and other agents are requested to report purchasers of 200 war savings stamps to the Licking County War Savings committee. The only qualification for membership in this patriotic organization is the purchase of 200 War Savings stamps costing this month \$28. The price advances to \$30 in April.

Next week, beginning March 25, will be "Arch Leedy Week" in Newark. Buy Thrift and War Savings stamps every day next week in memory of Newark's first boy to sacrifice his life for the cause of liberty and humanity in this great war.

People who are willing to give a little service to the War Savings committee by soliciting the sale of Thrift and War Savings stamps are requested to call at the office of the committee or phone auto 23124.

War Savings stamps are on sale at 750 places in Licking county—including every postoffice, all banks and building associations, all schools and many stores, offices and factories.

Four per cent compounded quarterly, tax free and your money back any time you want it upon 10 days notice—that in short is the War Savings stamp proposition. Pretty fair isn't it?

Licking county to win in this campaign must buy \$4000 worth of War Savings stamps every day this year.

## APPRECIATES GIFT SENT BY FENBERG TO BOYS IN CAMP

Recently Manager Geo. M. Fenberg of the Auditorium theater gathered up an express wagon load of magazines and periodicals and sent them to the soldier boys at Camp Sherman. That the gift was appreciated is evident from the following acknowledgement sent to the hustling local manager by John W. Sachs, of the headquarters company, 324th H. F. A.:

My Dear George:—I really should have written to you sooner, but mother and sister have been visiting me for the past few days, therefore I've spent all my spare time with them. But as they left for home today, I'm spending this evening answering my mail.

On behalf of myself and the Newark and Licking county boys, I want to thank you for the magazines and periodicals which arrived all O. K. last Saturday. I distributed them among batteries B and D and the headquarters company, 324th regiment, in which the majority of the home boys are located. We all appreciate them very much and certainly are thankful to you for gathering and forwarding them to us. I assure you that they help pass many a long evening. Leo Pryor, who is sitting next to me, sends his compliments to you and Mrs. Fenberg. Says he is feeling fine and enjoys camp life as much as ever.

Just returned from one of our movie theaters where I saw a good Pathe five reeler, also a two reel comedy, the latter bringing forth many a hearty laugh from the boys, who especially enjoy something light and funny after a hard day's work.

Both of our camp theaters are crowded every night, one running pictures exclusively, while the other shows musical comedy three or four nights of the week, filling in with movies on the others. Starting tonight for four evenings they are playing "Girls of My Heart." One thing which makes the theaters so popular are the Smileage Books which are greatly appreciated by the boys.

Must close now, again thanking you and the Newark people for the magazines.

## NEVER HAD SICK SPELL SINCE SHE TOOK NERV-WORTH

Before That Mrs. Covey Had the Most Terrible Headaches

This entirely new statement was given to Marietta's Nerv-Worth druggist a short time ago:

Will S. Richardson:—I kindly thank you for recommending Nerv-Worth to me. I have taken two bottles and have had wonderful relief. Was troubled so much with headache and vomiting spells. They became very frequent, as often as every two or three days. Was so bad I would think I could not live. Was so nervous and could not sleep well. NEVER HAD A SICK SPELL SINCE I BEGAN TAKING NERV-WORTH. I trust that everyone that suffers as I did will be interested in this testimonial and will try the great tonic, Nerv-Worth. It certainly is grand.

Respectfully yours,

MRS. L. COVEY.  
Your dollar back at the T. J. Evans Drug Store, Newark, if Nerv-Worth does not help YOU.

At Hebron, the Hebron Drug Store sells Nerv-Worth; at Utica, the Utica Drug Store; at Granville, W. P. Ullman, and at Johnstown, C. S. Howard—Advertisement, 3-13-20

Somebody Got It.

Waiter: Did someone take your order, asked the waiter.  
Student: I'm afraid so. I've been here an hour and nothing has showed up yet.—Widow.

## SPECIAL MOTOR CARS FOR BUSY WAR WORKERS

Army and Navy Men Have Own Fleet of Town Cars and Taxicabs.

A taxicab company of Washington, D. C., has just put into operation a fleet of special Dodge Brothers town cars and taxicabs, which are being used almost exclusively by members of the Army and Navy Club.

The need for a high grade type of motor car for rental purposes has become increasingly apparent as the number of Washington transients grew with the progress of the national war work. The cars were designed to be the equal, in appearance and in comfort, of those which officials and others use at their homes.

Both town cars and taxicab bodies were designed by Dodge Brothers dealer at New York, and are mounted on the standard chassis. A great many such cars are in the service of private owners and taxi companies in New York.

Gladly.

Mrs. Jones—Fred, dear, mamma says she has made up her mind to be cremated.

Mr. Jones (absentmindedly)—All right. Tell her to put on her things and I'll take her along.—London Opinion.

You can't always tell whether love is blind or merely near-sighted.
